## Two Van-Far Students Attain 36 ACT Score

By BRICE J. CHANDLER  
STAFF WRITER

Van-Far juniors, Cameron Jones and Ennis Childs, received word last week that both earned a perfect score of 36 on the American College Test better known as the ACT.

According to Statista.com, the ACT "is one of the leading college and university entrance exams in the United States. The ACT tests reading, grammar, science, and math, as well as an optional writing supplement. Each section of the test is scored on a scale of 1 to 36, whereby test takers earn one point for every correct answer, and do not lose any

points for wrong answers. The final score for each test section is then averaged to find the composite score, which is also scored between 1 and 36."

The other main college entrance exam in the U.S. is the SAT.

According to the ACT.org's 2020 statistics, the average composite score for Missouri test takers was 20.7 with an estimated 78 percent of graduates tested, which was just above the 20.6 national average out of 1,670,497 students tested.

While a score of 21 or higher qualifies the student as above average,

age, a score in the 30s is considered very good.

A perfect 36 is the rarest score.

According to researchers at the prespscholar.com and based on ACT organization's released data, less to half a percent (.334 percent) earn the 36 score. That's only 5,579 out of the 1.6 million who took the test.

Earlier this month, Jones received top honors at the conference and district competition in Quiz Bowl and helped the team claim their first ever State win.

Both look well on their way to promising futures.

## Bobcats Win First District Title In School History Lady Cats Bring Home Second Place Hardware

By BRICE J. CHANDLER  
STAFF WRITER

Bowling Green School District will get to add another banner to the many accolades surrounding fans and students in the high school gym.

For the first time in school history, the boy's track and field team have earned a district title with 11 top-four performances. The top four in each event move on from districts to the sectionals in Montgomery County this Saturday where the top four at that meet will qualify for the state competition.

"It was a great day for both the boys and the girls track teams," Athletic Director and Field and Track Head Coach, Matt Chance told The Tribune. "The district meet is a long, drawn-out day, but I felt our kids did a great job in being prepared for each of their events. We had a great day in the field events to once again open up a nice lead in the team standings for both boys and girls."

A strong showing on the track helped maintain that lead set by the athletes in the field events.

"We had some nice surprises in the running events and our kids just competed at a high level," Chance said. "The sectional meet that we will be in on Saturday at Montgomery County is always one of the most competitive in the state. The top four athletes in each even will qualify for the state championships. I think our kids will be ready to compete."

At the district meet, Michael and Marcus Starks racked up points for the boy's team by qualifying in seven events. Both competed in the triple jump with Marcus taking 3rd at 12.37-meters and Michael in fourth at 12.30 and again in the 110-meter hurdles where Marcus claimed second with a PR, and Michael qualified in fourth.

Michael won the high jump with a

height of 1.83 meters followed by Gunner Bryant who jumped for third and set a new PR with 1.78 meters.

Bryant set another PR in the javelin and walked away with the first-place medal with Dylan Dalton throwing just short to claim second.

Matt Jennings will be soaring in the pole vault competition along with Tanner Turner in Montgomery County. Jennings cleared 2.89 m, but quickly found his feet in time to help Dalton, Brian Fosdick, and Brandon Gamm qualify in the 4x200 relay.

Devin Rue and Teddy Charlton qualified in the discus earning second and third respectively while Colton Hearn set a new PR in the 800 meters and edged out a Hermann runner for fourth.

Ben Chance edged out a Whitfield runner by two seconds in the 3200-meter run and set a new PR of 10:14.38.

Not to be outdone, the girl's team earned a second-place finish in Wright City adding another eight athletes to the roster for Saturday's events.

Kelley Lewis blazed down the track to set PRs in the 100 and 200 meters claiming first in the 200 and helping her teammates Jordyn Stafford, Tanner Turner, and Kasie Orf win the 4x100 and 4x200 events.

Andrea Korte earned a spot in next week's competition for both shot put and discus. fellow teammate Aleece Walker will be joining her in shot put.

Haylee Chandler had a busy weekend. Not only did she graduate salutatorian, but she also earned her way to the sectional in the discus and won first in the javelin throw with an impressive throw of 38.81 meters. Megan Niemeyer launched a javelin for a PR and the second-place win in that event.

She'll join Chandler at the sectional

meet.

Orf set a new PR and snagged first place in the long jump at a distance of 5.04 meters. Stafford not only helped her team in the 4x100 and 4x200 relays, but she also earned herself a spot in next week's competition for the high jump but taking 4th at 1.34 meters.

The district meet showing was only one of a recent string of victories and PRs for the Bowling Green team. At the EMO conference meet the previous week, several members set PRs only recently broken in the district qualifiers.

"The girls performed at a very high level," Matt Chance said of the EMO meet. "It was their best meet of the year, and I was really proud of the effort from everyone. We had a lot of personal best and all-conference performances. Montgomery has a very good team and earned the conference title on the girl's side."

Four athletes were named as the Most Valuable after that meet. Kelley Lewis was voted EMO Most Valuable Sprinter. Michael Starks was voted EMO Most Valuable Jumper. Andrea Korte/Haylee Chandler was voted EMO Most Valuable Thrower.

According to Chance, the boy's team race came down to 3 teams – Bowling Green, Montgomery County, and North Callaway. "The boys did an outstanding job in the field events to open up a big lead in the team race," he continued. "They were very focused on each of their events and put together their best meet of the year. This team has continued to improve, and we are hoping for some big things at the district meet on Saturday."

Looks like that hope and training paid off.

## Louisiana Museum Kicks Off Season With Photo ID Contest

By BRENT ENGEL  
CONTRIBUTING WRITER

The Louisiana Area Historical Museum is kicking off its summer season with a photo identification contest.

The accompanying photo was taken at the Louisiana Masonic Temple in the late 1920s and has been a topic of great interest. The event, which featured local children, may have been called "A Tom Thumb Wedding."

The photo was donated by Dean and

Juanita Thomas. He said the chairs in the background of the picture and the Eastern Star logo are still in the building.

Museum patrons are asked to identify the children by the number that appears next to them. A few children do not have numbers beside them, but the museum would still enjoy having them identified. Entries may be made in person or mailed to the museum at 304 Georgia Street, Louisiana, MO 63353,

and will be accepted through June 24.

The person who correctly names the most children will win a \$25 gas card. If there is a tie, the winner will be chosen by coin toss.

The museum has other new, historically significant exhibits and is preparing for a major announcement during the summer. Hours for the season will be 10 a.m.-2 p.m. Saturdays starting May 29.

quently, use hand sanitizer, gloves, keep their area clean and frequently disinfect highly touched areas. Vendors are also asked to please, not bring their product to market if they are not feeling well," stated Diana Huckstep, Market Manager. "We would also like to communicate to our customers that if they have any symptoms or if they have been exposed to someone with a known COVID-19 case to please stay home. I have been in continual contact with the Pike County Health Department and masks are not required in an open air market. The decision to wear or not to wear a mask is left to our vendors and customers discretion," stated Ms. Huckstep.

The LCBA Farmers Market is still taking applications for vendors who would like to participate. Booth fees are \$5 per space, per week. There is a season fee for anyone who is interested. Any vendor who has products that are grown or homemade within 50 miles of Louisiana are eligible to take part. "We are actively seeking any organization or individual who has a current food handling certificate to sell hamburgers, Hot Dogs, barbecue, gumbo, etc. at the market. We also seeking entertainment, such as fiddle players, guitar players, etc., during market hours," stated Huckstep.

For more information on a Market application and rules, please contact Diana Huckstep, Market Manager at: 314-640-4420 or by email: lmfarmersmkt@yahoo.com.

October. Hours of operation are 3-6 p.m., or until products are sold out.

Sales will begin promptly at 3 p.m. "I have had several people ask why we have a starting time," stated Huckstep. "This enables all of our vendors to get properly set up and ready to sell. Without a fixed beginning time, it becomes very chaotic and the vendors are not prepared with change and proper placement of product."

There will continue to be some modified protocols that vendors will be using to ensure a safe environment for all customers. Social distancing will be in effect, customers will not be allowed to touch the produce prior to purchase, and customers will be encouraged to use hand sanitizer while visiting the market. "We are also encouraging our vendors to wash their hands frequently,

before and after handling produce. We are actively seeking any organization or individual who has a current food handling certificate to sell hamburgers, Hot Dogs, barbecue, gumbo, etc. at the market. We also seeking entertainment, such as fiddle players, guitar players, etc., during market hours," stated Huckstep.

For more information on a Market application and rules, please contact Diana Huckstep, Market Manager at: 314-640-4420 or by email: lmfarmersmkt@yahoo.com.

The Louisiana Community Betterment Assoc. has set the opening date for the only formal Farmers Market in Pike County on Wednesday, May 19, if the weather permits. If the weather continues to be an issue, the Market opening will be delayed until the following Wednesday, May 26. The market is scheduled to open in Sunset Park on Georgia Street.

The Georgia Street construction project has come to an end and getting to the Market will be a lot simpler. Georgia has been paved all the way to the 3rd. St. intersection and traffic flows through the area very smoothly. This in turn will help make getting to the market a lot easier for everyone. Operating days for the Market are every Wednesday, beginning in May and running through the second Wednesday in

## Rep. Chad Perkins Capitol Report

Rep. Chad Perkins hosted about 20 Clopton FBLA students and Brenda Akers, Coach Matt Cannon and FBLA sponsor Lynn Hall. Lynn was presented a house resolution for her 20 years of sponsoring FBLA. Also pictured is Lt Governor Mike Kehoe, who presented Lynn with the Lt Governor's challenge coin.

### Lawmakers Wrap Up Successful Legislative Session

The 2021 Legislative Session began in January with the House Speaker calling on his colleagues to "take on even the toughest challenges" and "make the hard decisions that will improve the quality of life for Missourians of all ages." As the legislative session came to an end, the members of the Missouri House had approved numerous bills meant to help Missourians from all walks of life in all parts of the state.

In total, the General Assembly approved more than 65 bills and sent them to the governor for his approval. Legislators addressed issues such as support for foster children, protections for victims of domestic abuse, new educational opportunities for young people, safeguards for Missourians' Second Amendment rights, prohibitions against government overreach, and tax relief for Missouri families.

The General Assembly officially adjourned at 6 p.m., Friday, May 14, which concluded the portion of the legislative session when bills can be passed. The governor will now have the opportunity to act on the various bills sent to him. He has the option to sign bills into law or veto legislation he finds problematic. The legislature will return in September for an annual Veto Session in which members could potentially override any vetoes made by the governor.

Some of the priority issues passed during the 2021 session include:

### EMPOWERING STUDENTS TO SUCCEED ACADEMICALLY (HB 349)

HB 349 is meant to empower parents to have access to schools

and educational resources that will best meet the needs of their children. The legislation will create Empowerment Scholarship Accounts (ESAs) to help parents afford the best educational opportunities for their kids. ESAs are meant to be "a lifeline" for many children in failing schools across the state. The accounts will empower "parents with choices and alternatives so they can find the fit that is best for them." Missourians will be able to receive a tax credit for donating to educational assistance organizations, which will provide scholarships to eligible students for a variety of costs such as tuition, tutoring, and transportation. Scholarships will be limited to students in cities with a population of 30,000 or more.

### PROTECTING VICTIMS OF DOMESTIC ABUSE (SB 71 AND SBs 53 & 60)

SB 71 will allow victims of domestic abuse to obtain lifetime orders of protection against their abusers. Under current law, a court can issue an order of protection for up to one year. SB 71 will allow courts to issue protection orders for any length of time the judge feels is appropriate, up to and including a lifetime. The change is meant to spare victims from the trauma of having to revisit their abuse in court each year to extend an order of protection. The bill also adds protections against electronic stalking.

### ENHANCING SUPPORT FOR FOSTER & ADOPTIVE PARENTS (HB 429 AND HB 430)

HB 429 and HB 430 will provide additional financial assistance to Missouri families who provide a stable home to children in need. HB 429 authorizes an income tax deduction

for Missouri taxpayers for the expenses related to providing care as a foster parent. The bill will authorize a deduction of up to \$5,000 for married couples or single parents, provided that individuals who are married but file separately can only claim up to \$2,500 each. The bill also contains additional improvements to the state's adoption regulations and proceedings.

HB 430 expands the state's ex-

isting \$10,000 tax credit to any child adopted by Missouri taxpayers on or after January 1, 2022. Currently the credit applies only to adoptions of special needs children. The bill also increases the annual limit on the amount of tax credits that can be authorized from \$2 million to \$6 million. The bill also expands the tax credits for contributions to domestic violence shelters and maternity homes.

I just want to thank you all again with honoring me with this position of responsibility, and I will continue to work hard to represent you in Jefferson City.

## From The Mayor's Desk...

Many, many, individuals, and families over the years have helped build our community of Bowling Green through their generosity: financially, labor-wise, and property donations. Individuals and families have poured into our town by "Leaving a Legacy" which continues to bless and enhance the quality of life for future generations. Our city's big park was cleared by the citizens of Bowling Green, Stark Bro's landscaped and donated trees and shrubbery, and the Basye family contributed the land. Development of the park has been a cooperative program. A similar program in Vandalia and their swimming pool, is an example which came into fruition through a donation by a family. Previously, I had congratulated O'Fallon, Missouri for receiving a gift of 54 acres to develop more for their parks and recreational areas. These are examples of individual and family legacies for the next generations.

Donors above the age of 72 may make charitable contributions directly from an individual retirement account (like an IRA) without incurring income taxes for their gift(s). "Gifting" allows one or a family to enjoy the benefit of seeing your gift in action plus a tax advantage. "Transfer on Death" permits the transferring of your assets directly to your designated beneficiaries after your death and avoids costs and delays of probate. Life insurance and Retirement Plan Beneficiary can designate where proceeds will be distributed. Retirement assets make ideal gifts to a non-profit organization while retirement assets make ideal gifts to tax-exempt organizations and they do not pay income taxes as the beneficiary. The types of charitable contributions are: gifts of money, bequest in will or trust, direct distribution from IRA, Life Insurance or Retirement Plan Beneficiary, or Remainder Trusts. It is only in the giving of oneself to others that we truly live. Winston Churchill made a statement, "We make a living by what we get, but we make a life by what we give."

This week has been National Police Week and many police officers around the country and including Bowling Green have not been recognized and are under-appreciated. As Mayor, I would like to thank those who put on the Blue daily and the sacrifices they make along with their families. THANK YOU BOWLING GREEN AND PIKE COUNTY POLICE!

Adopt-A-Project for Bowling Green!

Two Scoops ice cream has opened for our enjoyment and is located at 1300 Business 61, behind Cellular and Satellite Center.

Please note that trash cans are to be placed street side before 6 a.m., on pick up days and taken off street side by 7 p.m., that same evening. Please do not leave your trash cans along the streets throughout the week. Street work continues as the weather permits and your trash cans can become obstacles and could be damaged or your area could be skipped due to your obstructions. Thank you!

Many people believe our parks and playgrounds are for children only. Not so. Please visit Bowling Green's parks and lakes for: health benefits, fresh air, and outdoor adult fitness. The research is in, "People who go to green environments have better well-being: socially, psychologically, and physically."

Flyers are being circulated throughout our community and neighboring towns for the June 5th "WINGS AND WHEELS" at our airport. This is an airplane fly-in to see various styles and sizes of airplanes, visit with pilots and hear their comments about our renovated airport. The Airport Board is also inviting, at no charge, cars, trains, and planes. Just kidding about the trains. However, if you would like to share your vehicle and the pleasure you derive from owning it, please show it off at the "WHEELS Car Show." Cars, trucks, motorcycles, are invited and welcomed. Food vendors include, Spring Hollow Coffee, Sweet Home Concessions, Marvin Kemp's home-made ice cream and baked goods, and Charlie Wright's BBQ. Remote-controlled airplanes, port-a-potties plus a helicopter, police car, and fire truck will be on site at various times throughout the day, as well as a people mover.

Please welcome and support After Glow tanning services at 220 West Main and Lucy's All Out Powersports and FAB located at 4 West Main in Bowling Green.

## OBITUARIES

### Teresa Van Fleet

Teresa Van Fleet, 62, of Louisiana died Monday, May 10, 2021 at her home.

Funeral services were at 11 a.m., Friday at the New Life Pentecostal Church in Hannibal. The Rev. Billy Armstrong officiated. Burial was at Fairview Cemetery in Frankford.

Friends and family were invited to Teresa's life celebration at a visitation from 10-11 a.m., Friday at the New Life Pentecostal Church in Hannibal.

Teresa was born Oct. 6, 1958, in Louisiana to the Rev. Willard and Mary Evelyn Kelley Frazer. She was married to Gary Dean Van Fleet on June 15, 1982 in Palmyra. He survives.

Other survivors include three children, Jessica Ann Reiber and husband, Christopher of Waukee, Iowa, Sarah Elizabeth Longar and husband, Ben of Bossier, La., and Hannah Marie Young of Quincy, Ill.; a brother, Ed Frazer and wife, Sue of New London; two sisters, Gloria Marie Armstrong of West Memphis, Ark. and Marcy Hess and husband, Steve of Ursa, Ill. She is also survived by 11 grandchildren and several nieces and nephews.

Teresa was preceded in death by her parents, a son, Zackary Dean Van Fleet, one niece, Cheryl Ann Light; one half-sister, Georgia Ann Mitchell and two nephews, Adam Weisenburger and Travis James.

Teresa was a homemaker. She previously worked as a school administrator and most recently as a correctional officer at the Northeast Missouri Correctional Center in Bowling Green.

Teresa's faith was the guiding force in her life. She was an ordained minister and loved southern gospel music. A talented musician, Teresawas a piano player and beautiful vocalist. Times shared with family and friends were always special to Teresa. She enjoyed trips to American landmarks and to the southern United States to visit family. In her younger years Teresa took pleasure in hunting and fishing with her father. Later in life Teresa simply enjoyed her pets, her toy poodle, Cinnamon and her horses were always close to her heart. Most of all Teresa will be remembered for her caring and giving spirit. Always willing to assist those in need and lend a helping hand, Teresa was a caring and devoted friend to all.

She was a Pentecostal by faith

Pallbearers were Nathan Armstrong, Ryan Cassaday, Jon Light, Christopher Reiber, Greg Cassaday, and Bob Hager.

### Doris Ann Miller

Doris Ann Miller, 83, of Bowling Green died unexpectedly Wednesday, April 28, 2021.

Private services were held Saturday, May 8 with the Rev. Mark West from Second Baptist Church in Bowling Green officiating. Burial was held at Concord Cemetery in rural Bowling Green alongside her husband, George who died April 10, 2019.

Doris was born June 24, 1937 in rural Pike County, the daughter of Paul A. and Loeta J. Bonnell Peabody. As a lifelong resident, Doris attended Bowling Green schools, graduating from Bowling Green High School with the class of 1955. While at the home of Fred and Joann Johnson she met a young man by the name of T. George Miller. George's smile and charm were enough to win her heart and on the summer day of June 6, 1959, they united in marriage. Their love for each other would go on to celebrate 59 years of marriage and grow to include four children, 10 grandchildren, and 9 great-grandchildren.

Those left to carry on Doris' legacy include her son, Mike Miller and wife, Megan of Hudson, Wis.; three daughters, Malarie Schuckenbrock-Kallah and husband, John of O'Fallon, Marcia Luebrecht of Bowling Green, and Marilyn Behlmann and husband, Roy of Bowling Green; grandchildren, Jennifer Quinn and husband, Matt, Kyle Luebrecht and wife, Brandy, Justin Luebrecht, Stephanie Butler and husband, Eric, Nicole Ganger and husband, Tim, Sara Behlmann and Jimmy Manaska, Tyler Behlmann and Mallory Houchins, Maria Miller, and Davis Miller; great-grandchildren, Jake, Molly, Maggy, Mason, Letty, Carter, Lucy, Harrison, and Millie; and a sister-in-law, De Freeman of Bowling Green, Ky.

Doris was preceded in death by her parents; husband; son-in-law, John Schuckenbrock; and grandson, Hunter Behlmann.

Doris began her working years as a seamstress for Bridal Original in Bowling Green, where she worked for many years. In the 1970's she and George owned Bankhead Chocolates for a few years as well. She later served as an aid and did clerical work for Pike County Health Department.

Doris dedicated a tremendous amount of her life to service to others and her community through the organizations she was involved with. Though she left the halls of BGHS in 1955 as a graduate, she spent many years serving on the Bowling Green High School Alumni Association Board and was active with the annual banquet and raising money for scholarships for current graduating seniors. Her pride in her husbands' service in the United States Navy led to her involvement in the VFW Post #5553 Ladies Auxiliary where she served for many years. Doris was faithful to the Pike County Health Department Home Health and Hospice, not only as a worker but also as a volunteer for

many years. She spent a tremendous amount of time and energy into raising money with her Circle of Hope Bracelets, as well as being a driving force behind the Hunter Behlmann Farm Safety for Kids Program that was started in memory of her grandson. Doris also enjoyed attending and supporting the Pike County Fair and could usually be found helping out a night or two in the kitchen.

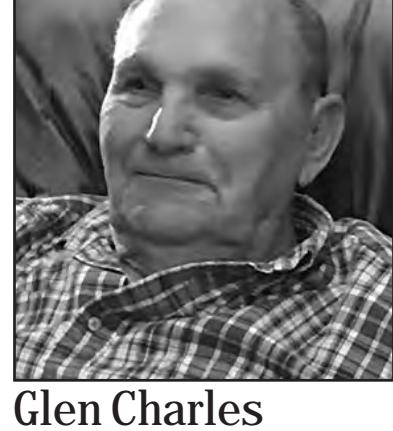

When Doris wasn't serving others and doing something for herself that she enjoyed, she could be found at Wednesday "group night" at Dos Primos in Bowling Green or enjoying Saturday lunch at Dairy Queen with her friends.

Above all, Doris loved raising her children and spending time with her family. She will be missed by all who knew her.

Serving as pallbearers were Kyle Luebrecht, Justin Luebrecht, Tyler Behlmann, Matt Quinn, John Kallah, and Roy Behlmann. Honorary pallbearers will be great grandchildren.

Memorials may be made to Pike County Health Department Home Health and Hospice or Bowling Green High School Alumni Association.

Online condolences may be left at [www.bibbveach.com](http://www.bibbveach.com).

### Glen Charles Cottrell

Glen Charles Cottrell, 80, of Louisiana died Monday, May 10, 2021 at Blessing Hospital in Quincy, Ill.

Funeral services were at 1 p.m., Friday at Collier Funeral Home in Louisiana. Burial followed at Dover Cemetery near Clarksville.

Visitation was from 11 a.m., until 1 p.m., Friday at the funeral home.

Glen was born Dec. 12, 1940 in Frankford to Robert and Anna Mae Stringer Cottrell. He was married to Rhonda Sue Harrison on June 12, 1966.

He is survived by his wife, Rhonda Sue Cottrell; a son, Glen "Chuck" Cottrell Jr., and wife, Amber of Pittsburgh, Texas; a daughter, Laura Martin and husband, Will of Louisiana; six grandchildren, Josh Martin and wife, Crystal, Stephanie Barrett and husband, Colin, Jenna Norris and husband, Jared, Zachary Martin, Ashley Martin, and Tate Cottrell; five great-grandchildren, Parker Splain, Sean Barrett, Julie Ann Barrett, Ryann Martin, and Addison Norris; a sister, Delores Burgmeyer and husband, Dick of Bowling Green; two brothers, John Cottrell of Clarksville, and Nathan Cottrell of Springfield; and numerous nieces and nephews.

He was proceeded in death by his parents, Robert and Anna Mae Cottrell, and three brothers, Russell, Richard "Butch", and Donald.

Glen, known as "Pops" by friends and family was a long-time resident of Louisiana. He was a member of the First Baptist Church. He worked as an auto mechanic for several years and was later employed at Dundee Cement Company, where he retired in 2002. He served his country as a member of the United States Army.

Glen's love of cars and mechanical skill was obvious throughout his life. He was an avid racing fan and car show enthusiast. He was a member of the Loafers Car Club in Hannibal and continually brought home trophies from showing his pride and joy – a 1957 Chevy Bel-Air. Glen had a great love for sports and his family, rarely missing any of his children or grandchildren's sporting events. He also enjoyed camping with his family.

Pallbearers were Glen's grandsons,

Josh Martin, Zach Martin, Tate Cottrell, Colin Barrett, Jared Norris, and Andrew Mudd. Honorary pallbearers were his great-grandsons, Parker Splain, and Sean Barrett.

Memorials may be given to the American Parkinson Disease Association or donor's choice, c/o the funeral home.

### R.E. "Robert" Moore

R.E. "Robert" Moore, beloved husband, father, grandfather, uncle, cousin, and friend took the hand of his Lord and followed Him home on Jan. 27, 2021, at his vacation home in Albuquerque, N.M., with his wife and grandson at his side.

He was cremated under the direction of the Cremation Society of New Mexico. A memorial service was held at West Mesas Christian Church in Albuquerque on Feb. 20. A memorial service is planned for Saturday, May 29 at 1 p.m., at New Harmony Christian Church near Curryville, which was his home church. He was a Timothy of New Harmony.

He was born in his grandmother's home in Vandalia on Dec. 14, 1944. He married Jennie Lee Gerard of Delhi, Ind., on Dec. 31, 1965.

R.E. ws a mathematician, earning a masters degree in teaching mathematics in 1976 from Stanford University. He taught in two high schools in Missouri and three colleges: Lincoln University and Columbia College in Jefferson City, and finally retiring from Missouri Western State University in St. Joseph in 2014.

He began bi-vocational ministry in the winter of 1962. During college he

served five small congregations in Northeast Missouri. After graduation he served four more, including Dixie Christian Church for just shy of 15 years. While there he was joined by Jennie as co-pastor. He then moved to the Northwest area where he served six churches, retiring from Kling Hill Christian Church (Disciples of Christ) in St. Joseph on July 31, 2011. He was joined by his wife, Jennie as co-pastor for the last 20 years of his ministry.

R.E. Was also known as a fine cook. He loved cooking and was happy to whip up a meal for two to 300, and he made it seem so easy. When asked by home health workers what he most wanted to accomplish his answer was always the same: "I want to cook again." His mother-in-law often said he was a fine cook, but if there was a clean pan left in the kitchen when he finished cooking it was only because he couldn't find it. Unfortunately he never learned to wash dishes. He enjoyed creating recipes, especially appetizers.

He also worked for Mutual of Omaha, Family Benefit, and Cameron Life Insurance.

He is survived by his wife of 55 years, Jennie; son, Scott Moore and wife, Cindy of Albuquerque, N.M.; a daughter, Jennifer Ferry and husband, Glen of Liberty; son, Dr. J.C., CD-APC Moore and wife, Allison of Albuquerque, N.M.; and grandchildren, Seth and Even Hake of Missouri, Derrick Moore, Albuquerque, N.M., Logan Garnett, Colorado, Hunter, Lily, and JoJo Aikmus, Liberty, Nolan and Emery Moore, Albuquerque, N.M., and his grandson, Aidan Moore, who moved in and helped care for him during his final months. Also surviving are sisters, Sue Davis, Kirksville, and Kay Willis, Mexico; along with numerous nieces, nephews, in-laws, and out-laws.

He was preceded in death by a son, Gerard Edward Moore; parents, Calvin and Alma Lea Moore; brothers, Erwin, Verle, and Merle Moore; and sisters, Yvonne Branstetter, and Wanda Holcumbrink.

Memorial contributions may be made to New Harmony Cemetery or Church, 5511 Pike 454, Curryville, MO 63339.

**Jessie Evalie Moore***Jessie Evalie Moore, 89, of Bowling Green died Saturday, May 15, 2021.*

Visitation will be Tuesday (today) at 10 a.m., with funeral services following at 11 a.m., at the Bibb-Veach Funeral Homes & Crematory in Bowling Green with the Rev. Charles Moore officiating. Burial was in Green Lawn Cemetery in Bowling Green.

Evalie was born June 12, 1931, in Pea Ridge, the daughter of Alfred Walter and Jessie Marie Dietzman Gollaher. She married Fred Moore on Dec. 20, 1948.

Evalie grew up in the Frankford, Pea Ridge neighborhood. She attended Pea Ridge Country School. After school, she married Fred, they lived in Clarksburg and Mexico before settling down in Bowling Green to raise their family. Evalie was Baptist by faith and was a member of the First Baptist Church, VFW Auxiliary, and American Legion Auxiliary.

Evalie is survived by children: Larry Moore and wife, Anna and Kaye Bowen and husband, Greg of Bowling Green; grandchildren, Randy Moore and wife, Kim of Frankford, Lynn Wilkinson and husband, Rich of Bowling Green, Steven Moore and wife, Kayla of Thousand Oaks, Calif.,

Shelly Vogelgesang and husband, Keith of St. Paul, Mike Wojick of St. Louis, and Ashley Moss and husband, Brian of Florida; great-grandchildren, Chris Moore and wife, Kayla, Brian Moore, Cody Wilkinson, Katie Wilkinson, Amanda Wilkinson, Keith Vogelgesang, Kenidi Vogelgesang, Kortni Vogelgesang, Kyle Vogelgesang, Maci Wojick, Carson Knies, Kylie Moore, Wyatt Moore, Kenneth Vogelgesang and Penelope Vogelgesang.

She was preceded in death by her parents; brothers, Jim, Robert, George, Jack, Willis, John and Bill Gollaher; sisters, Rindie Johnson and Ida Mae Gollaher.

Evalie was a loving wife, and devoted mother and grandmother. She loved to travel, go out to eat, play cards, and watch her grandchildren play ball. She was known for her delicious pies and generosity.

Memorials may be made to the Heartland Hospice, as they so lovingly cared for Evalie.

## NECAC Welcomes Broadband Effort

The not-for-profit North East Community Action Corporation (NECAC) is welcoming a new program that will help lower-income families and individuals connect to broadband internet services.

The Federal Communications Commission's Emergency Broadband Benefit provides a discount of up to \$50 a month toward service for eligible households. They also can receive a one-time discount of up to \$100 to buy a laptop, desktop computer or tablet for participating providers if they contribute between \$10 and \$50 toward the purchase.

"There are many households who are unable to afford or even have access to broadband services throughout our area," said NECAC Deputy

Director for Community Services Programs Janice Robinson. "This program will connect lower-income households with many services, including job search, healthcare, virtual classroom learning, the ability to connect with loved ones and much more. Without this availability, many households will simply be left behind."

Eligibility requirements include households with at least one member who:

\*Has an income at or below the 135 percent federal poverty guidelines or participates in programs such as food stamps, Medicaid or Lifeline.

\*Is approved to receive benefits under the free and reduced-price

school lunch program.

\*Had a substantial loss of income due to job loss or furlough since Feb. 29, 2020, and the household had a total income in 2020 at or below \$99,000 for single federal income tax filers and \$198,000 for joint filers.

\*Meets the eligibility requirements for a participating provider's existing low-income or COVID 19 program.

Eligible household may enroll by contacting approved providers by logging on to [www.GetEmergencyBroadband.org](http://www.GetEmergencyBroadband.org). People can also call 833-511-0311. A list of participating providers and additional information is available at [www.fcc.gov](http://www.fcc.gov).

## MO WIC Temporary Benefit Increase

The WIC Pike County Health Department is temporarily increasing the Cash Value Benefit for Fruit and Vegetable Purchases (CVB).

The American Rescue Plan Act (ARPA) gave USDA authority to temporarily increase the CVB to \$35 per month for eligible women and children during the federally declared COVID-19 public health emergency. Missouri WIC has elected to use this authority from June through September 2021, to provide additional healthy fruits and vegetables for up to 60,000 women and children per month. Standard CVB values range from \$9 - \$11.

WIC families have the opportunity to shop for nutritious foods at over 600 authorized WIC retailers throughout Missouri and can receive services at any of the 118 local agen-

cies. WIC serves financially eligible women, infants, and children under the age of five. Fathers, stepparents, foster parents, grandparents, and guardians are also encouraged to apply for WIC benefits for any children in the household under the age of five.

Missouri WIC provides quality nutrition education, breastfeeding promotion and support, nutritious foods, and referrals to health services. It is also one of the most successful, cost-effective, and important nutrition intervention programs in the country!

Individuals interested in learning about the benefits of WIC may contact the WIC Pike County Health Department at [janderson@pikecountyhealth.org](mailto:janderson@pikecountyhealth.org) or 573-324-2111.

## Buddy Poppies Soon To Be Sold

BY JUDY HULL

**BUDDY POPPY CHAIRMAN**

In the next couple of weeks, the VFW Auxiliary Post 2173 will be passing out Buddy Poppies for donations. We will be having a road block at the four way stop in Vandalia on Saturday morning, May 29. We also plan to have cannisters at local businesses for donations. The money raised from the poppies will go toward the Veterans Home and Hospital, National Home for Children (home for orphans of our Nations Veterans), phone cards for wounded Veterans in the hospital and for active duty personnel, flags for the cemeteries and other projects that support our Veterans.

The Poppy was adopted as the official memorial flower in 1922 by the VFW. The poppies are assembled by disabled and disadvantaged Veterans who are paid for their work, providing them with a form of financial assistance and giving them a feeling of belonging by doing the job.

## Get Hooked On Fishing With MDC Free Fishing Days June 12-13

The Missouri Department of Conservation (MDC) invites the public to get hooked on fishing through its Free Fishing Days June 12 and 13. During Free Fishing Days, anyone may fish in the Show-Me State without having to buy a fishing permit, trout permit, or trout park daily tag.

Free Fishing Days is an annual MDC event that takes place statewide during the Saturday and Sunday following the first Monday in June.

Aside from not needing permits, other fishing regulations remain in effect during Free Fishing Days, such as limits on size and number of fish an angler may keep. Special permits may still be required at some county, city, or private fishing areas. Trespass laws remain in effect on private property.

MDC reminds anglers in Missouri that fishing permits are required before and after June 12 and 13, unless an angler is exempt by age or other factors. All other fishing regulations are also in effect.

Conservation makes Missouri a great place to fish. Missouri has more than a

million acres of surface water, and most of it provides great fishing. More than 200 different fish species are found in Missouri, with more than 20 of them being game fish for the state's more than 1.1 million anglers. Learn more about fishing in Missouri at [huntfish.mdc.mo.gov/fishing](http://huntfish.mdc.mo.gov/fishing).

Want to learn to fish? MDC's Discover Nature - Fishing Program provides a series of free lessons throughout the state. All fishing gear is provided. Learn more at [dnf.mdc.mo.gov/](http://dnf.mdc.mo.gov/)

Need fishing gear? MDC works with numerous libraries and other locations around the state to loan fishing gear for free. Loaner gear includes fishing poles and simple tackle box with hooks, sinkers, and bobbers. Worms, minnows, or other bait are not provided. Find MDC Rod and Reel Loamer Program locations at [huntfish.mdc.mo.gov/fishing/get-started-fishing/rod-and-reel-loamer-locations](http://huntfish.mdc.mo.gov/fishing/get-started-fishing/rod-and-reel-loamer-locations).

For information on Missouri fishing regulations, fish identification, and more, get a copy of MDC's 2021 Summary of

Missouri Fishing Regulations where permits are sold, or online at [livemdc8.pantheonsite.io/about-us/about-regulations/summary-missouri-fishing-regulations](http://livemdc8.pantheonsite.io/about-us/about-regulations/summary-missouri-fishing-regulations).

MDC's free MO Fishing app can help anglers find the best places to fish in Missouri, access regulation information, identify fish by species, and more. Anglers can also buy, store, and show fishing permits right on their mobile devices. MO Fishing is available for download through Google Play for Android devices or the App Store for Apple devices. ## LHS Holds Annual Art, Band, Chorus Concert

Louisiana School District held its annual Art, Band, and Chorus Concert last week where they recognized students' efforts during the school year. Pictured is high school band and chorus director, Josh Stettes, in front of the high school choir.

Two Louisiana students earned MSHSAA state honors in Choir and Band. Pictured left to right Blake Maier who earned silver rating for his French horn solo and Malia Harrison who earned a gold rating for a flute solo and silver in singing solo.

## Cicadas Are Coming, But Not To Missouri

Periodical cicadas are coming in 2021, but probably not to Missouri.

University of Missouri Extension horticulturist Tamra Reall says Missourians may see some straggler cicadas from other states but not the massive swarms of noisy insects that more eastern states will see. The next brood to emerge in Missouri will not appear until 2024.

Periodical cicadas, as opposed to their larger annual counterparts, emerge every 13 or 17 years in late May to early July.

Cicadas are noisy and overwhelming. But they are also magical, says Reall.

"They are magical because of how rarely they emerge. Their scientific genus reflects this - Magicicada," says Reall, who has a background in entomology. "Just take time to reflect on the cool factor."

This heavy-bodied insect features large, red compound eyes and membranous wings. Adults are an inch long and have a 3-inch wingspan.

While some find them annoying, periodical cicadas are mostly harmless. Reall says. They might damage young trees

when the female deposits her eggs into small stems. Prevent this by covering with cheesecloth or mosquito netting. Generally, healthy trees will do fine without chemical treatment, she says.

Before they emerge, periodical cicadas may build earthen chimneys or towers that extend 2-4 inches above the soil surface. Soon after they emerge, the males make their shrill, rhythmic mating call from dawn to evening. The volume increases as the temperature rises.

Though sometimes confused with locusts, which are a type of grasshopper, periodical cicadas are more closely related to leafhoppers and aphids. They emerge in such large numbers that predators cannot eat all of them.
