## Accident Claims Life Of Young Mother Of Two

BY BRICE J. CHANDLER  
EDITOR

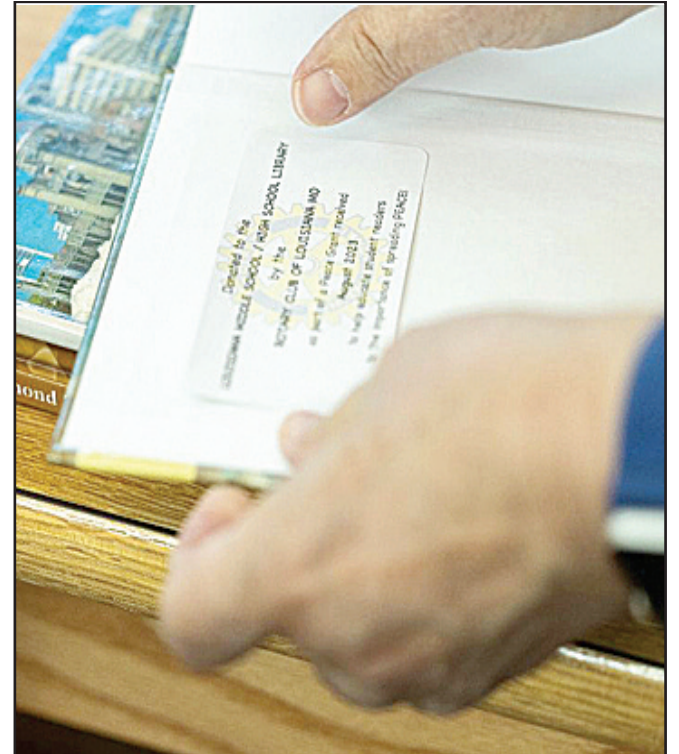

Friends and family are reeling after a tragic accident cut short the life of a young mother of two.

Pike County Ill., sheriff, David Greenwood issued the following press release about the Saturday, Sept. 30 single vehicle crash.

According to Sheriff Greenwood, at 8:50 p.m., the Pike County Sheriff's Department responded to a crash on State Highway 106, east of Barry, Ill.

The vehicle was traveling eastbound on State Highway 106 when it left the roadway and rolled over.

The Rotary Club of Louisiana recently donated books geared towards peacemaking and conflict resolution to the Louisiana Middle/High School Library. Each book includes a bookplate commemorating the club's "Century of Service" as it observes its year-long celebration of the 100th anniversary of being chartered in February 1924.

## Never Quit

### Bowling Green Man Refuses To Let Roadblocks Stop Him

Editor's note: Following is the second part in a story series by contributing writer Brent Engel.

Adam Black Chambers helped make the Missouri Republican one of the best early newspapers in the state, but it didn't happen without controversy.

Chambers co-founded the Salt River Journal in Bowling Green before moving to St. Louis and taking over the Republican. An incident that led to arguments still taking place today occurred on April 17, 1841.

James Seward

Around 9 p.m., four men entered the Collier & Pettus financial brokerage at the corner of Pine and Water streets on what is now the Arch

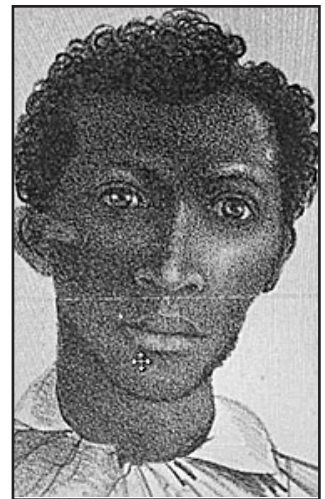

Madison Henderson

grounds in St. Louis. Expecting to find the place empty, they instead encountered Jesse Baker.

The intruders killed the clerk and then tried to find keys to the safe. Baker's roommate, Jacob Weaver, showed up at 11 p.m.

"The door was opened, and the first step across the threshold was his last, being struck a murderous blow on the head with a heavy crowbar, which had a moment before been

Alfred Warrick

transferred from its work of rapine to that of murder," wrote author Thomas Lynch.

Another two hours were spent unsuccessfully trying to crack open the safe. The burglars finally set fire to the building and left.

Baker and Weaver had worked as firefighters, so their deaths were especially grieving for the department. Both were about 22 and single.

The Republican said of Baker that there "was not a worthier young man in our community" and called Weaver a person "of excellent character" who "had the entire confidence of his employers and the esteem of all his acquaintances."

The crime took another deadly turn when a wall collapsed as crews battled the blaze, crushing Chief Engineer Anson Kimball. The New Hampshire native also worked as a carpenter and was "of ir-

reproachable character," the Republican said. He left behind a wife.

"We live, indeed, in dangerous times when such damning crimes can be committed in the very heart of the city and the brutal authors go unhung and unwhipt of justice," the newspaper wrote on April 19.

Authorities had four suspects, all of whom had worked on the St. Louis riverfront. They were identified as Madison Henderson, Charles Brown, James Seward and Alfred Warrick.

Henderson was a slave and Warrick had been kidnapped into bondage at one time. Brown and Seward were born free, and were what author Lynda J. Morgan called "militant egalitarians who bristled under racial injustices."

The four were products of a corrupted social environment where the law allowed human bondage and African Americans were considered inferior. While the suspects sometimes helped slaves escape, they also stole them for resale and were involved in other crimes. Author Thomas C. Buchanan wrote that the attempted heist "was not an isolated incident."

"In a world founded on the wholesale theft of human life and structured by economic exploitation, the men roved the western rivers in pursuit of spendable cash, a quest that frustrated boat owners, urban authorities and southern slaveholders in the bargain," Buchanan said.

The city offered a \$5,000 reward - almost \$143,000 today. The men had taken separate paths out of St. Louis, but investigators caught a break when a local barber offered information. One by one, the suspects were rounded up and pleaded not guilty to murder, burglary and arson.

"Justice now appears to stand a fair chance of being meted out," the Republican editorialized on May 6. "They now, all four, seem destined to

Charles Brown

pay the high penalty due to the violated laws."

Six days later, the paper was telling readers to be less judgmental, saying the proceedings should be "compatible with a full and fair investigation."

The men were tried separately by different juries between May 24 and 27. Henderson was first, followed by Brown, Seward and Warrick.

State law banned blacks from testifying, so the men couldn't offer their own defense. To give the appearance of fairness, attorneys were assigned to them. Since there was no direct evidence linking the defendants to the crime, jurors had to rely upon hearsay and the clouded memories of called witnesses.

In each case, convictions were handed down in a matter of minutes. Judge James B. Bowlin - a slave owner, former state representative and future congressman - sentenced the four to hang on July 9.

"You have time left for your penitence and prayer - for preparation for the end that awaits you," Bowlin told the men. "Not so with the victims of your great crime."

The six-week interim gave Chambers an idea. Now, if the jailer would just cooperate. Next time: Four confessions.

Brenda Miller of the Rotary Club of Louisiana moderated a discussion panel with local women business leaders at the Louisiana High School. The panel focused on empowering girls within the community by sharing stories from each of the speakers' lives.

## Louisiana Rotary Donates Books

BY KIMBERLY CHANDLER  
CONTRIBUTING WRITER

The Louisiana Rotary Club recently celebrated Peace Day by donating books to the Louisiana Middle School/High School Library.

R-II School District Librarian, Shelby Boswell, expressed that the diverse selection of books will leave a lasting, powerful impact through the school's library resources.

When asked about the potential of making this an annual event, a spokesperson from the Rotary Club told the Tribune they would evaluate that decision on a year-to-year basis.

In discussing the motivation behind the donation, the spokesperson revealed that the Rotary Board envisioned that providing books to the school library would reach a significant number of students over time, amplifying the positive effects of the initiative.

The funding for this project was provided by a 2022 Rotary District 6060 Peace Gift, a grant aimed at promoting peace in honor of International Peace Day.

The 2022 Rotary District 6060 Peace Gift is a singular grant from District 6060, designated to support projects that advocate for peace in diverse ways.

Each book focuses on the theme of peace and peacemakers. They also feature a bookplate commemorating the club's "Century of Service," as part of a year-long celebration marking the 100th anniversary of its charter starting in February 1924.

The books include biographies of notable figures such as Desmond Tutu, Amanda Gorman, Martin Luther King Jr., Mother Teresa, and Mahatma Gandhi, all of whom are renowned for their peacemaking efforts.

The collection also explores topics such as community peacemaking, world peace, the Peace Corps, and conflict resolution.

The Rotary Club hopes that this donation will inspire local students, broadening their perspectives and nurturing their understanding of peace.

Tristen Phillips records "History Lives" segments for October at KJFM Radio in Bowling Green. Topics for the month include the founder of Forgey Seminary at Paynesville, the origins of Louisiana Country Colorfest, the Vin Fiz coast-to-coast airplane, a co-founder of the Salt River Journal and Louisiana's extraordinary effort to stamp out cholera. The segments are sponsored by the radio station and the Louisiana Area Historical Museum.

## Celebrating The Foundation of America During Constitution Week Sept. 17-23

The National Society Daughters of the American Revolution urges Americans to reflect on the United States Constitution during this month's annual observance in honor this foundational document of national governance.

The DAR initiated the observance in 1955, when the service organization petitioned the U.S. Congress to dedicate September 17-23 of each year to the commemoration of Constitution Week. Congress adopted the resolution, and on Aug. 2, 1956, President Dwight D. Eisenhower signed it into Public Law #915.

The celebration's goals are threefold: to encourage the study of the historical events that led to the framing of the Constitution in September 1787; to remind the public that the Constitution is the basis of America's great heritage and the foundation for its way of life; and to emphasize U.S. citizens' responsibility to protect, defend and preserve the U.S. Constitution.

Students see the U.S. Consti-

tution on display at the National Archives Building as part of the 57th annual United States Senate Youth Program held in Washington, D.C., on March 2-9, 2019.

"We are so proud DAR led the way in making Constitution Week an official commemoration and our members enthusiastically promote the celebration annually in communities across the country by erecting community displays, sponsoring municipal proclamations, ringing bells and staging programs to raise awareness of the Constitution's tenets and importance," said DAR President General Pamela Rouse Wright. "We encourage all citizens to join us in celebrating this powerful document that is so important to American history and to reflect on the impact the Constitution has had on the lives of American citizens past and present."

DAR has been the foremost advocate for the awareness, promotion and celebration of Constitution Week. The annual observance provides innumerable opportunities for educa-

tional initiatives and community outreach, two mission areas of crucial importance to the National Society. By fostering knowledge of, and appreciation for, the Constitution and the inalienable rights it affords to all Americans, DAR helps to keep alive the memory of the men and women who secured our nation's foundational liberties.

The Daughters of the American Revolution encourages Americans to reflect on the U.S. Constitution during the week of Sept. 17-23.

One of the largest patriotic women's organizations in the world, DAR has 190,000 members in approximately 3,000 chapters across the country and several foreign countries. DAR members promote historic preservation, education and patriotism via commemorative events, scholarships and educational initiatives, citizenship programs, service to veterans, meaningful community service and more. For additional information about DAR and its relevant mission, visit [www.dar.org](http://www.dar.org).

## From The Mayor's Desk...

Our daylight is getting shorter, and the night darkness is getting longer as we enter what has shaped up to be a fantastic Fall! (We could use more rain). As the leaves change, what changes would you like to see in our fine City?

According to AARP Foundation, 35 million adults over the age of 50 or 1 out of 3 American citizens are living at or near poverty level. In a country as prosperous as ours, no senior citizen should be struggling to meet their basic needs.

A Celebrate Recovery program has started in Bowling Green. It is a program to talk through and support one another as you share your Hurts, Habits, and Hang-ups.

Over 200 children turned out for the "Little Sailors" in the main park last Thursday. Thanks to the parents and volunteers who supported this excellent activity for our children. Thanks also to the Bowling Green Fire and Police Departments for their involvement and support. There were also several businesses that attended and pitched in as well.

I would also like to thank all those who sponsored and supported the Genealogy Society and Museum yard sale this past Saturday. This is one of their big fundraisers for the year. Congratulations again to this hidden jewel in our city on receiving a wonderful grant from Missouri Humanities.

Fall Fun Festival at Prairie's Edge was also an event over the weekend. Vendors of food and crafts lined the

JIM ARICO, MAYOR  
CITY OF BOWLING GREEN

street, and it was a great Fall day and fun activity was experienced by all! Thanks Prairie's Edge for sponsoring this event every year.

With so many activities going on in Bowling Green and Pike County, it is a wonderful time to interact with family, friends, and your neighbors. It is important to have civic pride and participate in and support our cities' events. We must believe in our City, County, State, and America! We

need to fight emotionally and intellectual for a pro-America belief system where freedom of speech, equality, justice, our educational systems, the Southern border situation, and the economy continue to be the foundation of our REPUBLIC.

Your Bowling Green Parks and Recreation Board is sponsoring their 9th annual Safe Halloween in the Park on October 27. It starts at 5:30 in the main park on Adams Street. Donations of candy and volunteers would be appreciated. If you are interested on being on the Park Advisory Board, please call me City Hall, 573-324-5451 or 314-941-2277.

On Saturday, October 28 there will be a Women's Conference for all denominations called Going Beyond. It will be a simulcast by Priscilla Shirer and music by Anthony Evans. There is no cost, and you may register at 314-941-0210. (Text or call) or 573-324-3113.

Let the past stay in the past. Know that gossip causes division and hurt. A smile or cheerful words picks people up and there is power in the tongue to speak life or death with your words.

## Agape House Represented At United Way Event

Board chairman, Rich Duffner, represented Agape House of Vandalia at the annual kick-off event for United Way of Audrain County Sept. 12. He told guests of the mission and achievements of the guesthouse as well as distributing information.

The community area of the guesthouse was recently reconfigured. Furniture and decorative accents were rearranged to serve in an attractive and functional manner by board member, Eldora Lowry and her friend, Laura Cash.

House manager, Karen Craig, reported on minor repairs needed in the facility. Duffner will contact the appropriate persons to make repairs. The

manager also reported there had been 38 guests including 11 children during August. Surveys completed by guests expressed appreciation for the facility and especially for the helpful manager.

Board members in attendance were R. Duffner, Jane Duffner, Janet Heim, E. Lowry, Phil Pennington, Mary Thomas and Terry Rudolph.

The next meeting will be Oct. 17.

Monetary gifts received in August include the following: Edgewood Baptist Church of Bowling Green; Ramsey Creek Baptist Church of Clarksville; Bethlehem Baptist Church of Centralia; Trinity Presbyterian Church of Columbia; Cur-

ryville Baptist Church and Elm Gove Baptist Church of Curryville; Farber Baptist Church; Lutheran Ladies Aid of LaGrange; Columbian Charities (Missouri State Council Knights of Columbus); Hopewell Baptist Church and John Yost of Thompson; Southside Baptist Church, First Baptist Church, First Presbyterian Church, and First Christian Church, all of Vandalia; and Hopewell Baptist Church of Wellsville.

A monetary gift was given in memory of Julie Ann Talley of Laddonia by Sydenstricker Nobbe Partners, Inc., of Mexico.

A gift of service was made by Laura Cash of Mexico. book page or contact Sarrah, 324-3733.

## Hannibal Regional Offering 3D Mammogram Special

According to the American Cancer Society, while breast cancer is often found after symptoms appear many women with breast cancer have no symptoms at all. This is why regular breast cancer screenings are so important.

In honor of Breast Cancer Awareness Month, Hannibal Regional is pleased to offer 3D mammograms for \$99 during the month of October. The 3D

mammography exams utilized at Hannibal Regional are developed by Hologic, Inc., a worldwide leader in women's health. Utilizing advanced breast tomosynthesis technology, these exams are clinically proven to significantly increase the detection of breast cancers, while simultaneously decreasing the number of women asked to return for additional testing. An annual mammogram is key to

early breast cancer detection. The goal is to identify breast cancer at the earliest stage possible, minimizing the treatment required and improving survival rates.

The \$99 special is only valid in the month of October, and an appointment is required. For questions or to schedule an appointment, please call 573-248-5688.

## MDC Announces Fish Salvage

### Order For Lake At Logan Conservation Area

The Missouri Department of Conservation (MDC) has authorized an Emergency Fish Salvage Order for Lake #2 at William R. Logan Conservation Area in Lincoln County. The order will take effect Sunday, Oct. 1 through Tuesday, Oct. 31, 2023. Lake #2 is located in the northwest portion of the area.

MDC is enacting the order because the dam on the 6.8-acre lake is failing and needs to be reconstructed. Cutting the lake dam to make necessary repairs will completely drain water from the lake, resulting in the death of all fish in the lake. The Emergency Fish Salvage Order will enable anglers to remove as many fish as possible so as to minimize waste.

During the order, anglers may take all species of fish from the lake (excluding endangered species listed in 3 CSR 10-4.111 of the Wildlife Code of Missouri).

In addition to fishing methods already authorized for the lake, the order enables anglers to take fish by the following methods during hours when Logan Lake #2 is open for public use and fishing: gig, atlatl, underwater spearfishing, bow, crossbow, snagging, grabbing, dip net, throw net, seine, and by hand.

These temporary parameters will expand opportunities for those who fish the lake. They apply only to Lake #2 on Logan Conservation Area. All other permit, season, and limit requirements not specified above will remain in effect.

Anglers between the ages of 16 and 65 must still hold a valid Missouri Fishing Permit to fish at the lake.

William R. Logan Conservation Area is located five miles

## Allison L. Moore

Allison L. Moore, 58, of Louisiana died Saturday, Sept. 23, 2023 at Hannibal Regional Hospital in Hannibal.

Cremation rites were provided by Collier Funeral Home in Louisiana and no services will be held.

Allison was born Sept. 7, 1965 in Springfield, Ill., to John and Linda Yokum Lornitis.

She is survived by her mother, Linda Donovan of Louisiana; a son, Cameron Allen Moore of Springfield, Ill.; one daughter, Jeseca Moore of Louisiana; a brother, Chris Yokum; uncle, Mike Lornitis of Palm Bay, Fla.; an aunt, Mary Miller of Tennessee; one uncle, Slick Lornitis of Springfield, Ill.; her ex-husband, Jerry Moore and wife, Stephanie who remained friends and helped her as they could, and numerous cousins.

She was preceded in death by her father, John Lornitis.

Growing up in Illinois, she attended the Calvary Temple Church in Springfield. Allison was a graduate of Grapevine High School in Ft. Worth, Texas with the class of 1983. She had lived in different areas over the years making her final move to Louisiana in 2018.

She loved babysitting children, and she enjoyed going out to eat and watching movies. Her main focus was as a home maker taking care of her home and family.

Memorials may be made to the family in care of the funeral home.

## Dorothy Frances McCarthy

Dorothy Frances McCarthy, 92, of Frankford died Saturday, Sept. 23, 2023 at Country View Nursing Facility in Bowling Green, surrounded by family.

Funeral services were held Thursday at 11:30 a.m., at Good Shepherd Lutheran Church in Bowling Green with Pastor Jeff Dock officiating. Burial was at Fairview Cemetery in Frankford.

Visitation was Thursday from 10-11:30 a.m., at the church.

Dorothy was born in St. Louis on Oct. 7, 1930 at home to Joseph and Jennie Knecht. She married Jack McCarthy on Sept. 24, 1949 in St. Louis. He preceded her in death in February of 2007.

She is survived by two sisters, Shirley Rauch and Gerry Davis and husband, Ed; children, Kathleen Brummond and husband, David, Ken McCarthy and wife, Annette, and Michael McCarthy and wife, Sepa; grandchildren, Kristen Griego, Kelly Richards and husband, Dan, Kevin McCarthy, Jennifer Teeter, Janice Teeter, Julie McCarthy, and Seth Brummond and wife, Becca; great-grandchildren, Justin Griego, Megan Richards, and Kayden, Olivia, and Matthew McCarthy, Michael McCarthy, Isabel Cameron, Matthew Teeter, and Lydia Miles, Luke and Laia Brummond; along with many nieces, nephews, extended family, and many friends.

Dorothy was preceded in death by her parents; aunts and uncles; one sister, Jeanette Rickman; and one great-granddaughter, Mikeila Gergen.

Dorothy was a Christian by faith and a charter member of Good Shepherd Lutheran Church in Bowling Green for

over 40 years. She graduated from Cleveland High School in St. Louis. Dorothy worked at a bakery in St. Louis and when she graduated high school she worked for a company in St. Louis as a computer operator, then a mother and homemaker.

After the children had married, she became a home health aide and a volunteer activity director for Moore-Pike Nursing Home for 12 years, after which she was a part-time relief postal clerk for the Frankford Post Office.

She was a member of Lutheran Woman's Missionary League, she belonged to the Haw Creek Club of Frankford, she volunteered at the Hope Center in Bowling Green, and she was a member of the Pike County Genealogical Society and Museum in Bowling Green.

Dorothy liked spending her free time sewing, cooking, working crafts of all kinds, and playing games. She loved spending time with family and friends.

Pallbearers were John Haake, Steve Shaw, Dan Richards, Kevin McCarthy, Al Schlueter, and David Brummond. Honorary pallbearers were Ed Davis, Justin Greigo, Kayden McCarthy, Seth Brummond, Robert Wallace, and Jim Schuette.

Memorials may be made to Good Shepherd Lutheran Church or the Genealogy Society.

Online condolences may be made at [www.bibbveach.com](http://www.bibbveach.com).

## Bruce W. Stevens

Bruce W. Stevens, 68, of Louisiana died Friday, Sept. 22, 2023.

Visitation was from 5-7 p.m., Wednesday at Collier Funeral Home in Louisiana.

Memorials may be given to the family, c/o the funeral home.

## Richard 'Dick' Bosman Finnerty

Richard "Dick" Bosman Finnerty born March 5, 1935, near Hines, Lincoln County in his great-grandfather's home, died Sunday, Sept. 24, 2023.

Visitation was Saturday from 2-4 p.m., at McCoy-Blossom Funeral Homes & Crematory in Troy.

Celebration of Life will be held at a later date to be determined at Shiloh UMC, burial will be private.

He was the son of William Martin and Flossie White Finnerty. Mr. Finnerty attended grade school in Oak Grove, attended two years of High School in Silex R-I, and graduated from Paynesville in 1953 later part of the Clopton District. He attended Oak Grove Methodist Church, Zion Lutheran and Shiloh United Methodist Church. Joined Union Carpenters in 1956, Louisiana, 1008 now part of Union 32. Drafted into the Army in 1957-May 1959, served 18 months in Germany, honorably discharged.

Richard met his first wife, Dolly Knippschild while in Germany, married October 1959. To this union two children were born Rick and Corina Finnerty. He was an accomplished carpenter and retired from Tarlton Corporation in 1995, re-married Janet Stroker and built a home in New Melle.

He collected old engines, Model A's, tractors, tools and other toys. He enjoyed wood carving, built custom furniture, bird houses, several quarter scale wagons, garden, loved mowing grass, telling jokes (over and over), his family, helping others and had a famous Hoo-Doo stick which he made many of. He had the gift of 'gab' and loved talking to all.

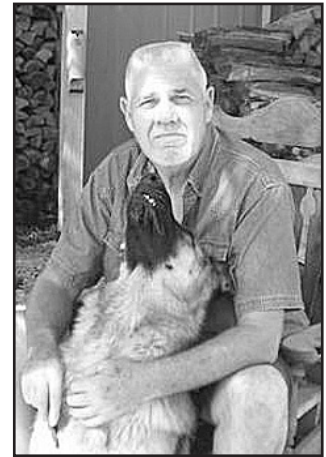

He had a strong work ethic and passed this to his children and grandchildren. Fun things about Richard, and there were a lot, but here's a few... Janet said he had a 'Finnerty Thing', do not say it can't be

done because it will be done one way or another; 'there is more than one way to skin a cat'! This goes for all Finnerty Family Line. Pocket knives should be carried at all times, biscuits should be small and not doughy, and of course if you're serving green beans you must serve cole slaw.

Surviving Richard is his son, Rick and wife, Lynne, grandson, Jacob and wife, Elizabeth; great-grandchildren, Ryleigh and Parker; granddaughter, Jessica; daughter, Corina and husband, Rick Moore; grandson, Kyle and spouse, Alex; great-grandchildren, Josie and Mad-die; and granddaughter, Sara and husband, Joe Kindig and wife, Janet; brother, Billy Finnerty and wife, Maxine; sister-in-law, Nina Finnerty; many nieces and nephews.

Preceded in death by brother, Charlie and sister, Vernitte Jean Finnerty, parents, and former wife, Dolly.

Memorials may be given to Old Alexandria Cemetery, Oak Grove Cemetery, Shiloh United Methodist Church or Owl Pals at Silex R-I School, c/o McCoy Blossom, Troy.

## Bobbie Lee Ball

Memorial services for Bobbie Lee Ball, 80, of Farber will be at noon Friday Oct. 6, 2023 at Bienhoff Funeral Home in Vandalia with Pastor Bob Balwanz officiating. Burial will follow in the Farber Cemetery.

Visitation will be from 10 a.m., until the time of the service at the funeral home.

Mr. Ball died Saturday, Sept. 30, 2023 at Harry S Truman Veterans Hospital in Columbia.

He was born Nov. 16, 1942 in Mexico, the son of Robert Lee and Nadine Elizabeth Williams Ball. Bobbie married Gladys Marie Demoski on Aug. 31, 1967 in Anchorage, Alaska. She survives.

Other survivors include his two daughters, Lenora Ann Gottman and husband, Tim of Monroe City and Loretta Jane Ball of Mexico; one brother, Ronald Ball and wife, Carolyn of Farber; one sister, Jo Beth Schlemmer and husband, John of Laddonia; five grandchildren, Ashley Yager and husband, Adam, Abbie Gottman, Taylor Gottman, Coral Littrell and husband, Adam, and Rheanna Lee; five great-grandchildren, Ruby Yager, Leo Yager, Nevaeh Terry, Naomi Littrell, and Xavier Lee, along with nieces, nephews, other rela-

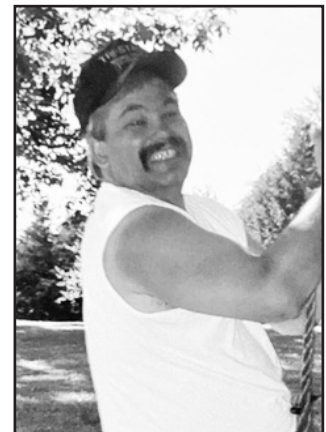

tives and a host of friends.

He was preceded in death by his parents, Robert and Nadine Ball; an infant son; and one grandson, Toby Gottman.

Bobbie was a lifetime area resident that grew up as a member of the Farber Presbyterian Church. He served his country honorably in the U.S. Army and worked at CE Refractories, NARCO and then a carpenter for many years. He enjoyed woodworking, hunting, fishing, collecting antiques, Indian artifacts, firearms, and pocketknives but most of all Bobbie enjoyed his time spent with his family and friends.

Memorial contributions may be made to the Mexico Veterans Home, Farber Cemetery, or the Farber Presbyterian Church, c/o Bienhoff Funeral Home P.O. Box 54 Vandalia, MO 63382.

Online condolences may be made at [www.bienhofffuneralhome.com](http://www.bienhofffuneralhome.com).

## Wendell Galen Talton

Wendell Galen Talton, 64, of Silex died Saturday, Sept. 23, 2023 at his residence.

Services will be held at Silex Assembly of God in Silex on Friday from 3-6 p.m. Cremation rites are under the direction of Bibb-Veach Funeral Homes and Crematory.

Galen was born on the Yakama Indian Reservation in Toppenish, Wash., to Billy Gene and Lenora Talton on Feb. 28, 1959. Galen met his wife, Donna in 1990, and they were married on Feb. 14, 1991 at The Garden Chapel in Creve Coeur.

Galen graduated from

Ephrata High School in Ephrata, Wash. During high school, he was a bull rider in local FFA bull riding competitions, and continued to compete in a local bull riding circuit after high school. He worked as a beekeeper with Hiatt Honey for nine years, which took him to California, South Dakota, and Alberta, Canada.

He returned to Missouri in 1989 and worked for PolyOne Plastics for 18 years as safety coordinator.

Galen enjoyed the outdoors, including fishing, hunting, and camping. He enjoyed baking homemade blackberry cobbles, pecan pies, and homemade breads. He enjoyed talking with his kids, and enjoyed being Papa T to his grandkids even more.

Galen was a Big Foot fan as well as a NASCAR fan, and always cheered for Kevin Harvick in car #4.

Galen is survived by his wife, Donna; his children, Becky Philpott-Meyer and husband, Dave of Silex, Megan Shultz and husband, Steven of Victoria, Texas; Vanessa Schmuke and husband, Mike of Okinawa, Japan; Lacey Talton of Silex; and Colin Talton and wife, Morgan of Colorado Springs, Colo.; his grandchildren, Kristyl, Savanna, Darriorn, Jacob, BrookLynn, Emily, Jameson, Jaxton, ReannaLynn, MaeLynn, Siddalee, and Loy; six great-grandchildren; sisters, Stacy Leonard and husband, Mike, and Sheila Talton; and brother, Garrett Talton and wife, Shelly, all of Ephrata, Wash.; an aunt, Arajuana Alexander of Condon, Ore.; and many nieces, nephews, and cousins.

He is preceded in death by his parents; aunts, Betty, Minnie, and Etta; and sister-in-law, Shelly Talton.

Online condolences may be made at [www.bibbveach.com](http://www.bibbveach.com).

# COMMUNITY NEWS

## PIKE COUNTY 4-H

Hello, my name is Bradley Doggett. I am 14 years old and a member of the Pleasant Workers 4-H club. I joined 4-H seven years ago to learn new things! When I think about why someone should join 4-H the first thing that comes to mind is its a good learning experience no matter your age. The things I like most about 4-H is getting to help my community year round, and learning more about the projects I have chosen. My favorite project in 4-H is chickens. I have chickens of my own and the knowledge I learn through 4-H I then use back home with my own flock. While being in 4-H I would have to say my favorite accomplishment would be becoming the club president.

Hi, my name is Braelon Deters, and I am nine and a half years old. I am a member of the Peppy Circle and have been in 4-H for 3 years. I joined 4-H to make new friends and learn how to ride and show my pony, "Starlight." I believe someone should join 4-H because it's a great learning experience, but at the same time, you have lots of fun! In 4-H, I like to go to the different project meetings and meet up with kids from other clubs to learn, make, or do something. With 4-H, I now have lots of new friends! My projects this year were scrapbooking, animals, and arts and crafts. In scrapbooking, I enjoyed making pages about my family and animals. In arts and crafts, I got to paint a set of wooden cow heads to be used as a door hanger. My favorite accomplishments through 4-H have been making Christmas cards for veterans and improving with my pony.

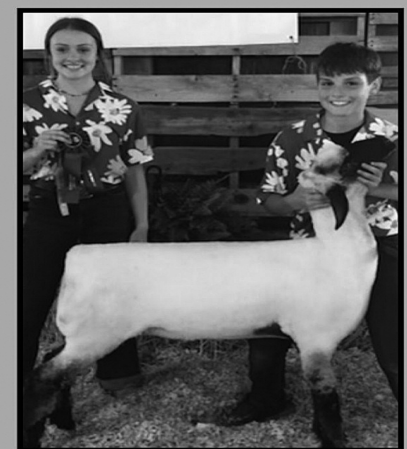

Hello everyone! My name is Zane Johnson and I am 10 years old and have been in 4-H for three years while being apart of the Pleasant Workers 4-H club. I joined 4-H because my siblings were in it and I always had to go to the meetings with them. I thought it looked pretty fun and figured why not if I'm going to be here anyway. I think everyone should join 4-H because we are always making things or playing games or multiple other fun things. Even when what we are doing seems not fun like cleaning up the park or the fairgrounds after the fair, they still turn out to be fun because you are doing them with your new friends. I like EVERYTHING about 4-H. I'm always learning something new and then I get to tell someone else all about it when I get judged at the fair. I make new friends and then we do lots of things together like caroling at Christmas or laser tag at the fun meeting. There is just always something fun going on to participate in. When it comes to my projects -my favorite has been computer programming. I love putting in codes and seeing what comes out. I also like taking foods because I get to eat all the food I make! My accomplishments in 4-H haven't been the most exciting thing yet, but I do love when my projects make it to state. It makes me feel really proud!

Hi, my name is Jordan Johnson I'm 18 years old. I belong to the Pleasant Workers 4-H club where I have been a member for seven years! I joined 4-H because I wanted to do the horsemanship projects and my mom told me about how much fun she had and how much she learned way back when she was in 4-H. I wanted to learn how to show with my new horse. Kids should join 4-H because it is a fun learning experience. You can learn about pretty much anything and make lots of friends along the way. I liked meeting new people every year in the club and at the different 4-H opportunities. I also really enjoyed the different community betterment projects we did. It feels really good to help out the community. In 4-H -My favorite project to take has been photography. It is very interesting to see how you can affect your image by different positions, angles or lighting. I have also really enjoyed scrapbooking my last few years and have created some pages to recognize some important times in my life and preserve some really good memories. I always get so excited when one of my projects makes it to state so that is probably my favorite accomplishment. I also have enjoyed being the club treasurer and historian through the years.

Hello! My name is Megan Niemeyer, and I am 18 years old. I have been in 4-H for ten years now and belong to the Busy Bee Hustlers 4-H group! I first joined 4-H when I was eight years old to meet new people, learn new things, and to follow my sisters' footsteps in becoming a 4-H'er! There are a few things that come to mind when I get asked why someone else should join 4-H. I believe someone else should join because you get to learn new things, you are awarded for the projects you create, and you get to make new friends. Some of the things I like about 4-H is exhibiting in the fair, doing projects at club meetings, helping in the community and the younger members. In 4-H everyone gets to pick projects that they would like to learn about and mine where sewing, crochet, meat judging, and swine. In sewing this year, I got to make several garment items and a quilt for my dorm room. In crochet I got to make a few items and even took the elephant I made to county and state fair. Meat judging for me this year was learning all different cuts of meat and being able to judge all of them. In my swine project this year I raised my barrows and showed them at the county fair which led me to be able to sell in the sale of champions at the county fair! I would say I have quite a few big accomplishments with my 10 years in 4H. The one big accomplishment I have every year is always learning new life skills. This year some accomplishments I had would be my projects got selected for state fair and then best of show and getting the opportunity to sell in the sale of champions at my county fair.

Hi, I'm Nolan Berry and am 11 years old. I have been in 4-H for 3 years and am a member of the Calumet 4-H club. I joined 4-H to show my lambs at the local and state fairs. I think others should join 4-H to see friends and meet new ones. What I like about 4-H is showing my lambs and seeing my friends at the meeting and fairs. I just had one project in 4-H this year and that was sheep. I showed at the county and state level this year and got reserve champion with my lamb at the state fair!

## Vandalia Rotary Club Receives Gift From District

The Vandalia Rotary Club recently received a \$500 gift from its District 6060 to be applied to a project that would empower young women in the community.

The club chose to help fund the purchase of socks, stirrup socks, and uniform

belts for Van-Far Middle and High School girl's softball teams.

"Especially for girls, creating opportunities that enhance their education, safety, health and well-being has the power to transform their futures - and

also to transform their families and communities," said Elizabeth Usovich, a member of the Rotary International Board of Directors. "Rotary members worldwide can make a difference in transforming communities by empowering girls."

## MDC Announces Fish Salvage Order For Lake At Logan Conservation Area

The Missouri Department of Conservation (MDC) has authorized an Emergency Fish Salvage Order for Lake #2 at William R. Logan Conservation Area in Lincoln County. The order will take effect Sunday, Oct. 1 through Tuesday, Oct. 31, 2023. Lake #2 is located in the northwest portion of the area.

MDC is enacting the order because the dam on the 6.8-acre lake is failing and needs to be reconstructed. Cutting the lake dam to make necessary repairs will completely drain water from the lake, resulting in the death of all fish in the lake. The Emergency Fish Salvage Order will enable anglers to remove as many fish as possible so as to

minimize waste.

During the order, anglers may take all species of fish from the lake (excluding endangered species listed in 3 CSR 10-4.111 of the Wildlife Code of Missouri).

In addition to fishing methods already authorized for the lake, the order enables anglers to take fish by the following methods during hours when Logan Lake #2 is open for public use and fishing: gig, atlatl, underwater spearfishing, bow, crossbow, snagging, grabbing, dip net, throw net, seine, and by hand.

These temporary parameters will expand opportunities for those who fish the lake. They apply only to Lake #2 on Logan

## New Hunters Ammunition, Firearms Tips

One firearm does not fit all hunts. Knowing the characteristics of firearms, the types of ammunition available, and the types of optics to put on your firearm can make the difference between a successful hunt and a long day in the field.

New hunters can get information on firearms, ammunition preferences, and optics selection at three virtual programs being put on by the Missouri Department of Conservation (MDC) in October. All of these programs will be conducted by MDC Conservation Educator Jordan Poe.

The first of these virtual programs is "Firearm Selection for the Beginner" on Oct. 11. The program will be from 6-7 p.m. People can register at: <https://mdc-event-web.s3licensing.com/Event/Event-Details/195114>

At the Oct. 11 program, Poe will talk about how to select the appropriate firearm for a hunt. He will discuss the differences between hunting with rifles and hunting with handguns and will also discuss the various types of shotguns. The discussion will cover the types of firearms that are legal, ethical, and practical for specific types of hunts.

The next virtual program, "Firearm Selection: Ammunition Selection for the New Hunter," will be from 6-7 p.m. on Oct. 13. People can register at: <https://mdc-event-web.s3licensing.com/Event/Event-Details/195117>

At this virtual program, Poe will cover the differences between target ammunition and hunting ammunition, different calibers, cartridges, and bullet types for rifles and handguns. He will also discuss the different gauges, shot size, and shot materials in shotgun shells. He will discuss the differences between lead shot and non-toxic shot. He will also discuss the regulations and hunting ethics involved with each type of ammunition.

## NECAC Taking Applications For Utility Assistance

The North East Community Action Corporation (NECAC) is taking applications from the elderly and disabled for the federally-funded Low-Income Home Energy Assistance Program and the Energy Crisis Intervention Program in 12 Missouri counties. The program is under way for applications from the elderly and disabled, with applications for all others starting Nov. 1.

"Apply if you think you'll need assistance," said NECAC's Angela Kattenbraker. "The cost of utilities is going up. We can help a lot of people with any fueling type."

NECAC assisted about 9,600 households with utility assistance last year, and expects the number to increase this winter due to inflation and escalating costs.

LIHEAP offers a one-time payment to income-qualifying households depending upon the type of utility they use. The maximum benefit for tank propane-heated homes is \$495. It's \$326 for natural gas and fuel oil, \$318 for electricity, \$219 for wood, \$153 for kerosene and \$177 for cylinder propane.

ECIP may be used by income-qualifying household through September 2024, with a maximum of up to \$800 from Nov. 1-May 31 and \$600 from June 1-Sept. 30. Applicants must have received a shut-off notice.

Applications are being accepted online or in person at NECAC Service Centers. The monthly income limit for a one-person household is \$2,535. For a four-person residence, it's

\$4,875. Additional amounts are available upon request.

The program is funded by the U.S. Department of Health and Human Services and is distributed through the Missouri Department of Social Services, which then contracts with NECAC and other Community Action Agencies in Missouri to administer the service. Payments are sent directly to utility companies.

More information is available at [www.necac.org](http://www.necac.org), by calling 573-324-0120 or by contacting one of the following NECAC Service Centers:

## LCBA Beautification Award

Members of the Louisiana Community Betterment Assoc. presented Jeannine Kelly and her husband Clark with the LCBA Beautification Award on Monday, Oct. 18. Their building is located at 601 Georgia St. in Louisiana. The building was known as Fowler Lumber Co., for many years, but since it's magnificent transformation by Jeannine and her husband, Clark, it is now a stunning event venue, now known as "Gatherings at 601." It is very suitable for weddings, wedding showers, baby showers, meetings and a host of other uses. The building has a smaller front room that could hold 35-40 people comfortably and the rear room could easily hold 75-100. Both rooms have the look and feel of comfort. Pictured, from left: Diana Huckstep, LCBA Chairperson, Jeannine Kelly, her husband Clark and Paulette Powelson, LCBA Treasurer. Walter Logan, LCBA committee member is the photographer.

## ACCIDENT

Continued from front page

Makenzy McLaughlin, 25, of Bowling Green was pronounced at the scene. The passenger was transported to Illini Hospital in Pittsfield by Pike County EMS with minor injuries.

Assisting at the scene was the Barry Fire Department, Pike County EMS and the Illinois State Police.

McLaughlin was the first

mother to go through the Anne's Anchor program in Bowling Green. Through hard work and self-determination along with a help from the program, she successfully earned her high school certification and recently started college classes for a nursing degree.

"It's with a heavy heart that I write this post," representatives from Anne's Anchor wrote. "Kenzy was in a car accident last night and tragically passed away. Please

pray for her children, her family and all those who loved her. Words can't describe how much we will all miss her!"

She leaves behind two young children.
