## Stroker Sisters Donate Great Horned Owl To Silex Schools

Silex school recently accepted a donation of a Great Horned Owl from Stroker sisters Janet Stroker Dameron Finnerty, Virginia SuzAnne Stroker Paz, and Grace ElizaBeth Stroker McLean. The owl was originally purchased in the 1980s from the Franklin Mint by their aunt Evelyn Johnston. Many will remember Mrs. Finnerty as Mrs. Dameron. Mrs. Finnerty graduated from Silex in 1961. She then went on to teach at Silex for 30 years before retiring. Sisters SuzAnne and Beth both attended Silex also. SuzAnne graduated from Silex in 1964. Beth graduated from Kirkwood in 1973. Superintendent Elaine Henderson is pictured accepting the owl from Janet Stroker Dameron Finnerty.

## Gala Event To Be Held For Vandalia Area With Proceeds To Benefit YMCA Project

Local residents Mary Wallace and Cami Blackman are planning an elegant "gala" event for March 25 at the Sacred Heart Parish Center in Vandalia.

Organizers say the event is meant for the community to come together, enjoy a nice meal, mingle and have a good time. The event will include a social hour, served meal and entertainment. Gift baskets will also be available for fun and competitive bidding.

The social hour will begin at 5:30 p.m. and dinner will be served at 6:30 p.m. The meal will include American-cut pork chop, salad, baked potato, rolls, dessert and beverage. Entertainment will be provided by the St. Cecelia Music Club.

To assist with planning the event, tickets must be purchased in advance for and sponsorship tables for families, organizations and businesses may be reserved for an additional fee. Sponsorship tables

## Austin Winegardner Named Air Force Instructor Of The Year

The Committee of Fifty honored Tech. Sgt. Austin Winegardner, an instructor supervisor at the Air Force Pavement and Equipment School on U.S. Army Fort Leonard Wood, as the Instructor of the Year for the 1st Engineer Brigade.

Master Sgt. Wayne Tokarz, the flight chief for Winegardner, said "I've been at quite a few installations in my 19 years in the Air Force and the outpouring of support here from the community means a lot."

Tokarz said Winegardner has spent about three years at Fort Leonard Wood and nearly 10 in the military.

Sgt. Winegardner is a true professional; he exudes professionalism in all he does."

Winegardner said his time at Fort Leonard Wood was his first in the military stationed in the United States.

He also remarked, "Since I've been in the service I've been overseas the whole time, the support this community provides not only to me but to every servicemember is really unprecedented."

Winegardner complimented the local leadership.

"Waynesville and St. Robert would not be what it is without you providing essential services to

## Pike Health Department Receives Certificate Of Need For Assisted Living Facility Project

The Pike County Health Department, Home Care and Hospice received good news at Jefferson City on Monday, March 6 as their application for a Certificate of Need was approved by the Department of Health and Senior Services.

The organization submitted plans for a possible assisted living facility to be constructed on land behind the health department in Bowling Green. The rough plans presented to the state call for a 40-bed facility, but the board may elect to start with a small-

er facility and expand as the needs of the community grow. The Certificate of Need was the first hurdle that had to be cleared before any further planning could take place. So the board and administration will begin seeking professional plans, cost estimates and working on funding possibilities.

Chris Deeken, Jennifer Schumacher and Melaney Mathis were joined by Rep. Jim Hansen on Monday to campaign for the certificate of need.

## Heartbreaking Loss For Clopton Hawks By Single Point In State Quarterfinal

### Hawks Take Down Elsberry In Overtime Of State Sectional

APRIL M. FRONICK • EDITOR  
[april@thepeopletribune.com](mailto:april@thepeopletribune.com)

A wild final 15 seconds saw tears, cheers and ultimately heartbreak for the Clopton Hawks as their season ended with a 58-57 loss to Harrisburg in the MSH-SAA Class 2 Quarterfinal on Saturday.

With the Hawks trailing by a point in the waning seconds, Clopton senior Mark Frank tried to stop at center court and was called for traveling. As hope seemed to dwindle, Coach Craig Smith called for a timeout and a shaken group of Hawks came to the sideline.

Following the pep talk, on the ensuing in-bound play, fellow senior Jamon Graham stole the ball and broke to the hoop to give the Hawks a 57-56 lead with just over eight seconds to go.

As Clopton players celebrated

the change in fortunes, Harrisburg called for timeout to set their own game plan. The Bulldogs used a quick pass to spring star Cade Combs for a break to the net. The son of Head Coach Steve Combs rose to the occasion and dropped in a layup to pull Harrisburg ahead by a point.

Clopton took one more timeout with 3.4 seconds remaining and set up for one last play. The in bound pass went to senior Stephen Talbert, who drove with his head up, looking for options. With time counting down and no pass available, Talbert threw up a desperation half court shot.

The Hawks and the big crowd at Moberly Area Community College watched as the shot went wide and the Bulldogs, not Clopton, stamped their ticket for the MSHSAA Championships this week in Columbia.

The Hawks started the afternoon in terrific fashion, outscoring the Bulldogs 17-8 in the opening quarter.

Graham and Scott Kuntz came off the bench to hit three pointers, Frank scored four and Talbert scored seven points while the defense limited the Bulldogs to scores from just two players and none from Combs.

The Harrisburg junior came alive in the second quarter with a pair of three balls and four of five from the free throw line.

Clopton was dropped in the quarter 21-16, but still carried a four point lead to the locker room.

The Hawks were held to just two baskets from the field in the third quarter, but were six for eight as a team at the line.

The game went to the final quarter tied at 43.

Stephen Talbert puts up a shot during the Class 2 State Quarterfinal on Saturday as teammate Mark Frank looks on. The Hawks were narrowly edged out by a single point in the final eight seconds by the Harrisburg Bulldogs, 58-57. Talbert notched 13 points and 12 points in the sectional win last Wednesday over Elsberry. ## Central Elevator To Host 'Chick Days'

Central Elevator invites backyard flock raisers to its upcoming Chick Days! Chick Days is scheduled for March 11, 2017 at Central Elevator located at 2244 Highway E, Silex, MO 63377 starting at 7:30 AM. Live chicks will be available for purchase and there will be discounts on feed with chick purchase. Classes on "Evaluating Laying Hens" and "Making Better Layers" will take place at 10:00 AM and 10:45 AM. Bring the whole family to take part in games for a chance to win great prizes such as an automatic poultry waterer or chick equipment. Staff will be available with in-depth details as to the proper

handling of both chicks and eggs and with information on the benefits of quality feed.

"We enjoy partnering with flock raisers in our communities to raise happy, healthy flocks", says Debbie Angel from Central Elevator. "Raising chickens is a fun activity for the whole family. Adults find peace-of-mind in knowing where their food comes from, while kids learn the responsibility of caring for a flock. For many of our customers, the flock becomes part of their families."

Call Central Elevator at (573) 384-5235 with any questions regarding this Purina Event.

## Learning About 'Honest Abe'

First graders in Rachel Biggs class at Bowling Green Elementary have been learning about Abraham Lincoln. Biggs made a life-sized Lincoln so students could stand next to him and see how tall he really was. Students also learned that Abe Lincoln put important notes in his tall black hat. They did a writing project about what important things they would put in their hat.

## Ray Strauby Henderson

Ray Strauby Henderson, 78, died Thursday, Feb. 23.

Ray was born on Feb. 2, 1939, in Farmer, to Leslie Ray Henderson and Helen Sue Strauby Henderson.

Ray was a loving and caring brother, husband, father and grandfather who routinely placed the needs of others above the needs of his own. As Christ came to this world to serve and not be served, Ray followed this example to the fullest.

He began his education at Vannoy Country School and attended high school at Bowling Green High School. He earned his B.S. at the University of Missouri and his masters at Webster College in St. Louis.

His teaching career as a band director started in 1960 and spanned 37 years at 10 different high schools and one college.

He attended Concord Country Church and remained active in many more churches serving as a music and youth minister and choir director.

Later in his career, he also wrote music theory curriculum for Florida Baptist Seminary.

Outside of work he enjoyed fishing, hunting and target practice, but his greatest joy was going to auc-

tions and restoring antiques.

Survivors include his wife of over 56 years, Elizabeth Ann Pritchett Henderson; a son, Kevin Henderson and daughter-in-law, Bridgett and son, Seth of Columbia; a daughter, Crystal Elmore and son-in-law, Ed of Tampa, Fla.; one daughter, Kimberly Mayfield and son-in-law, Tom; and their son, Mitchell and daughter, Morgan of Grayson, Ga.; and niece, Eldonna Steers Chestnut of Gardner, Kan.

Ray was preceded in death by his sister and brother-in-law, Betty and Eldon Steers and their son, John Leslie.

## Margaret Sue Harness

Margaret Sue Harness, 95, died Thursday, March 2, 2017 at Lynn's Heritage House in Louisiana.

A memorial services were held Monday at the Olney Methodist Church, with visitation with family at 10 a.m., and services at 11 a.m. Burial was at Olney Cemetery immediately following. A luncheon followed at Olney Methodist Church.

Formerly of Olney, she was born Feb. 11, 1922 near rural Louisiana to Sue Shannon Rule and Edward Byram Rule, Jr. She graduated from Bowling Green High School and attended the University of Missouri-Columbia. She married James Harness Oct. 3, 1942 and they lived on the family farm near Olney for nearly 50 years until his death. In 1991, she married Allan Hughes and they resided on the farm near Olney.

She is survived by two daughters, Jamie H. Tomek of Olney, and Joyce Sweet and husband, Chris of Chicago. Other survivors include three granddaughters, Nikki Anderson (Michael Kozien) and Shelley Anderson (Tyler Huffman) of Chicago and Ashley Anderson (Eric Pendergrass) of Fort Collins, Colo., as well as three great-granddaughters; Eleanor Joyce Huffman, Annika Margaret Anderson-Kozien and Sage Susan Pendergrass and a step great grandson, Henry Lott Pendergrass.

She is preceded in death by her husband, James Harness, her second husband, Allan Hughes and her parents.

She was a home maker her entire life and active in the community as a Sunday School teacher, 4-H leader, member of the Eureka Club and Daughters of the American Revolution, Bowling Green Chapter. She traveled extensively and was an active member of the Olney Methodist Church.

Memorials can be made to the Olney Methodist Church, the Pike County Nurses Scholarship Fund or the Frank Hoffman Scholarship Fund (for students in the tutoring program) at Ebenezer Lutheran Church in Chicago.

## Make Health Shifts In Food Choices At Home During National Nutrition Month

BROUGHT TO YOU BY PIKE COUNTY HEALTH DEPARTMENT, HOME HEALTH & HOSPICE

The 2015-2020 Dietary Guidelines for Americans recommend making small changes to eating patterns to include healthier ingredients while cooking at home. Choosing a variety of all food groups helps reduce the risk of preventable, lifestyle-related chronic diseases including cardiovascular disease, type 2 diabetes and obesity.

"Evidence shows that making dietary and lifestyle changes can prevent diseases before they occur," says registered dietitian nutritionist and Academy of Nutrition and Dietetics spokesperson Angel Planells. "During National Nutrition Month and beyond, make small, healthier food choices – one forkful at a time."

Planells encourages everyone to eat more of these foods:

Vegetables, including dark green, red and orange, beans, peas and others

Fruits, especially whole fruits

Whole grains

Fat-free or low-fat dairy including milk, yogurt, cheese and fortified soy beverages

Protein foods including seafood, lean meats, poultry, nuts, soy products, beans and peas

Oils including canola, corn, olive, peanut, sunflower and soy

"It's important to create an eating style that includes a variety of your favorite, healthful foods," Planells says. "Consider cultural and personal preferences to make these shifts easier to maintain."

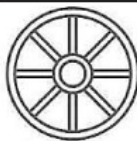

To find a personalized plan that works best, Planells suggests consulting a registered dietitian nutritionist. RDs can provide sound, easy-to-follow nutrition advice to meet your lifestyle, preferences and health-related needs.

As part of National Nutrition Month, the Academy's website includes articles, recipes, videos and educational resources to spread the message of good nutrition and an overall healthy lifestyle for people of all ages, genders and backgrounds. Consumers can also follow National Nutrition Month on Facebook and Twitter (#NationalNutritionMonth).

## Clopton PTO Enjoys Performances

"The Real Story of the 3 Little Pigs," a poem by Shel Silverstein and music on recorders were all highlights of the recent Clopton PTO meeting held Feb. 23, following the normal business meeting.

In business, PTO members discussed future activities including: preschool screenings planned for March 15, kindergarten sign up and screenings planned for April 5 and April 7, the MoCHIP Child Identification Program and Parents As Teachers Spring Fling planned for April 8. Anyone needing more information regarding preschool screenings and kindergarten sign ups should call Clopton Elementary at 242-3546.

The MoCHIP Program, sponsored by the Missouri Masonic Children's Foundation and Pike County R-III Schools, is free of charge. It will provide digital photographs, digital fingerprints, child information and emergency contacts and more to parents on a mini CD computer disk. For more information on this program, please contact Chris Peterman at 573-629-8313.

Entertaining the parents, teachers, administrators and more were the second and third grade classes taught by Mrs. Kanauss, Mrs. Street, Mrs. Jaeger and Mrs. Lilley. Also providing several musical selections were members of the fifth grade class.

Members of Mrs. Kanauss' second grade class read a poem. Pictured with Mrs. Kanauss are Wyatt Myers, Alivia Elliott and Haley Wright.

Fifth graders performed for PTO on recorders.

Members of the third grade class performed. Pictured are Joey Dillon and Carlyn Lockard.

Members of Mrs. Street's class performed for PTO. Pictured are Bobbi Jo Kaimann, Bayleigh Burt, Storey Talbert, Camden Lilley and Alayla Smith.

## Clopton Celebrates FFA Week

FFA Week was celebrated at Clopton Schools the last full week of February. On Friday, Feb. 24 the Clopton FFA Chapter held two events in culmination of the week including the annual Farmers' Breakfast and a "Kiss the Pig" contest. Throughout the week, four Clopton teachers were competing to raise the most funds to be donated to Relay For Life of Pike County. The winning teacher then got to share a celebratory kiss with a baby pig in front of the Clopton staff and student body at an assembly. The competing teachers were Craig Smith, Colleen O'Brien, Beth Holland and Doreen Schneider. Pictured at right is the winner, Holland, preparing to kiss the pig held by Collin Lockard. Also pictured (above), the Farmers' Breakfast was a success with many farmers enjoying the breakfast served by FFA members.

## MDC Reminds Snaggers Paddlefish Season Opens March 15

Missouri's annual spring paddlefish snagging season is a popular pastime for thousands of anglers. According to the Missouri Department of Conservation (MDC), the state's major paddlefish snagging waters include Lake of the Ozarks, Truman Lake, and Table Rock Lake. The paddlefish snagging season for these and most other waters in the state runs March 15 through April 30. The season for the Mississippi River is March 15 through May 15 with a fall season of Sept. 15 through Dec. 15.

Also known as "spoonbills" because of the shape of their snouts, paddlefish take seven or eight years to grow to legal size and in Missouri can live more than 20 years. The state record paddlefish taken in 2015 on Table Rock Lake was 31 years old. The fish feed on plankton and other microscopic prey. These filter feeders therefore do not take bait from hooks and must be snagged using large hooks that catch in the mouth, gills, or other areas of their bodies.

The success of paddlefish snagging is dependent on weather conditions, primarily water temperature and flow.

"The best snagging conditions occur when water temperature reaches 50 to 55 degrees and there is an increase in water flow," MDC Fisheries Management Biologist Trish Yasger said. "This prompts them to move upstream to spawn. We don't usually see a lot of big fish being caught on opening day. Harvest early in the season is typically dominated by local fish and small males with the occasional large female. As water temperature and flow increase, you will start seeing more of the larger females."

Yasger added snagging tends to be better early in the season at Table Rock Lake and better in April at Lake of the Ozarks and Truman Lake.

### MDC Stocking Efforts

The Missouri Department of Conservation (MDC) makes paddlefish snagging possible in the Show-Me State through annual stocking of fingerlings raised at its Blind Pony Hatchery near Sweet Springs. The fingerlings are released into Lake of the Ozarks, Truman Lake and Table Rock Lake, plus the Black River. Last year more than 314,000 foot-long fingerlings were stocked -- MDC's largest stocking of paddlefish. These fish will be large enough to harvest beginning in 2023. The annual stocking is necessary because dams and other barriers to spawning areas have eliminated sus-

tainable natural reproduction in the lakes.

Yasger noted MDC released an especially large number of fingerlings into Lake of the Ozarks, Truman Lake, and Table Rock Lake in 2008. The more than 164,000 fingerlings released are now nine years old and will continue to provide good numbers of fish for snaggers to harvest.

"Without annual stocking by MDC staff, this popular pastime and food source would go away," said Yasger. "We need help from snaggers to learn more about and to better manage this popular game fish so we can keep paddlefish snagging great for many years to come."

### Snag A Tag - Get A Reward

MDC is in its third year of a five-year tagging project to help monitor paddlefish numbers and improve species management. Department staff are placing metal jaw tags on up to 6,000 paddlefish netted in Lake of the Ozarks, Truman Lake, and Table Rock Lake and up to 1,000 netted from the Mississippi River. Yasger encourages all snaggers to help out by reporting tagged paddlefish and to NOT remove tags from undersized or released paddlefish. "We will send a special 'I caught a Missouri paddlefish!' t-shirt to each snagger who returns or reports their first tagged fish," Yasger explained. "All returned and reported tags will be placed into an annual drawing, held in July, for cash prizes with a grand prize of \$500."

Tags or photos of tags from harvested paddlefish must be submitted for rewards. Snaggers must include the following information with each tag:

- Date caught
- Location of catch including reservoir or river, mile marker, and county
- Tag number
- Fish length from eye to fork of the tail
- Snagger's name and complete address

Report tags by calling MDC at 573-579-6825 with the information, or mail the information with the flattened tag to: Missouri Department of Conservation, 3815 East Jackson Blvd., Jackson, MO 63755 or by e-mailing Trish Yasger at Trish.Yasger@mdc.mo.gov (link sends e-mail).

Learn more about the tagging project from MDC online at <http://on.mo.gov/2lr7e0b>.

### Report Transmitters

MDC biologists are also implanting ultrasonic transmitters in adult paddle-

fish at Truman Lake, Lake of the Ozarks, Table Rock Lake, and the Mississippi River to track their movements and gain other important information. MDC asks that all snaggers who harvest fish with a transmitter to report it by calling 573-579-6825 or by e-mailing Trish Yasger at Trish.Yasger@mdc.mo.gov (link sends e-mail).

"It is important to return transmitters so they can be implanted in other fish," said Yasger.

### Help smaller fish survive

Yasger reminds snaggers to help undersized snagged fish survive to grow larger.

"Do not land paddlefish with gaffs. This can fatally injure sublegal fish. Use large landing nets," she said. "Remove hooks carefully and get sublegal fish back into the water as quickly as possible. Wet your hands before handling fish and avoid excessive handling. Do not pass them around for photos and hold fish firmly to avoid dropping them. Never put fingers in the gills or eyes."

### Regulation Requirements

Unless exempt, anglers must have a current fishing permit to snag or to operate a boat for snaggers. The daily limit is two paddlefish and snaggers must stop snagging after obtaining the daily limit on Lake of the Ozarks and Truman Lake and their tributaries, and the Osage River below Bagnell Dam. The minimum legal body length for paddlefish at Lake of the Ozarks, Truman Lake, Table Rock Lake, and their tributaries is 34 inches, measured from the eye to the fork of the tail. The minimum legal body length is 24 inches on the Osage River below Bagnell Dam and in other Missouri waters. All paddlefish under the legal minimum length must be returned to the water unharmed immediately after being caught.

The Wildlife Code of Missouri requires the head, tail, and skin to remain attached to all paddlefish while on the water so paddlefish should not be cleaned until off of the water. Also, extracted paddlefish eggs may not be possessed while on waters of the state or adjacent banks and may not be transported. Paddlefish eggs may not be bought, sold or offered for sale. Additionally, paddlefish or their parts, including eggs, may not be used for bait.

Learn more about Missouri's official aquatic animal, regulations, snagging reports, and more at <http://huntfish.mdc.mo.gov/fishing/species/paddlefish>.

## LHS Softball Team Earns Academic All-State Recognition

The Louisiana High School softball team recently received Academic All-State recognition as a team.

To qualify for team recognition, the team's overall grade point average has to be at least 3.3.

Coach Bill Capps also noted the team had individual players earn Academic All-State honors. To receive individual honors, a player's GPA has to be 3.5 or higher and they had to play in 70 percent of the games for that particular season.

Louisiana softball players who also earned individual Academic All-State recognition include: Samantha Henderson

Janel Lindsay  
Molly Ross  
Maria Gutierrez  
Abby Moore  
Kayla Lindsay.

## Sammi Henderson Gets MaxPreps Athlete Of The Month

Louisiana High School senior Samantha Henderson has received the MaxPreps Athlete of the Month for January presented by the United States Marines Corps.

A presentation will be made this Friday, March 10 in the LHS cafeteria at 11:20 a.m. by Athletic Director and SSG Dorite Rabenell. Henderson was chosen based on being the most deserving athlete and displaying the ideals the Marines stand for such as bravery, dedication, perseverance, personal sacrifice for others and being a positive influence in the community.

MaxPreps and the Marines Corps teamed up to honor some of America's most deserving student-athletes with the High School Athlete of the Month Award. This title is given to any athletes that any American community would be proud to call its own. Henderson will receive a feature article and video on MaxPreps and CBSSports.

Henderson said she was exhilarated to find out about the award.

"Coming from such a small school, I never expected to receive something of such high honor and regard. Competing at LHS for four years will definitely be memories I never forget. From the Cinderella story of the district champion softball team my freshman year, to receiving all-district and all-

conference catcher have just been awe moments," she remarked. "It has been a true honor to wear a Louisiana jersey, and my time is coming to an end soon, but the memories will be with me forever," she added.

Henderson has been the starting catcher for Louisiana's softball team for four years and has been Academic All-State in addition to recognitions for her athletic ability. She is also a member of the basketball and track teams. She has also served on the student council, is a member of National Honor Society, served the FFA, FTA, Interact Club, FBLA, Spanish Club, FCA and has been class secretary since 2013.

She also participated in Missouri Girls State, has been a part of the American Legion Junior Girls since 2007 and coordinated and hosted an event for the American Red Cross last year and has served the organization since 2013. Henderson has also worked as an umpire and lifeguard for Khoury League and the YMCA.

The Hawks were even better from the foul line in the fourth quarter as the game went back and fourth.

Clopton was six for seven from the stripe in the final eight minutes and Landon Hall scored four from the field, but the Hawks fell a point short at the final buzzer and ended their season with a quarterfinal loss for the second consecutive season.

Graham was named the Community State Bank TRIBCAST Player of the Game for his late game heroics and a perfect night from the free throw line (6 for 6) for the Hawks.

Scoring for Clopton: Graham, 15; Hall, 14; Talbert, 13; Kuntz, 8; Frank, 4; Kevin Hammett, 2; Collin Lockard, 1.

Coach Smith noted the loss was going to take time to over.

"We were right there and not able to finish the game how we would have liked. I thought we had two good practices going into their game. They obviously had us scouted and went to a zone later in the first quarter. I think that is where the momentum shifted and we started to do some things that were not us," he explained. "The kids gave me everything thing they had and that is all I can ask for. I feel for our seniors that it didn't end with a trip to the Final Four, but this group has been a part of a huge paradigm shift in our program and it is in large part due to them and the kind of kids they are. I appreciate them and their hard work and dedication to Clopton," he added.

Clopton reached the quarterfinal in another thrilling game against Elsberry in the Sectional

The Hawks fell behind early, battled back to force overtime, then defeated their conference rival and friends 43-41 at Hannibal High School.

Clopton was nearly shut out in the first quarter of the sectional. Elsberry scored the game's first 11 points before Stephen Talbert scored with less than a minute left. The game went to the second quarter with the Indians ahead 11-2.

In the second, Clopton's offense came alive with three point shots from Talbert, Graham and Hall.

Talbert finished the quarter with seven more points and the Hawks came back to trail by just two points at halftime.

Frank added a third quarter try for Clopton and the Hawks took the lead for the first time in the game. Clopton led 27-26 after three quarters.

The final frame of regulation went back and forth as the teams traded baskets. After 32 minutes of basketball, the teams were knotted at 37 each.

In the extra session, the Hawks scored three times from the field with buckets from Hall, Graham and Lockard while the Indians were limited to four free throws.

While Elsberry converted all four attempts, Clopton controlled the extra session and took home the victory in the opening round of the state tournament.

will receive program recognition.

The deadline to reserve tickets or sponsorship tables is March 17. Please contact Wallace by phone at 573-470-0937 or email mcwallace2020@gmail.com or contact Blackman by phone at 573-470-6161 or email her at camblackman@gmail.com.

Proceeds from this year's gala event will be donated to the

Eastern Missouri Family YMCA Project. It was noted that on numerous occasions area residents, businesses and organizations have risen to the needs to improve and benefit the local communities. The area should be very proud of the accomplishments to construct new facilities for existing and new businesses in 2017.

It is desired for the event to become a standing tradition and serve as a helpful mechanism to bring communities together and support local needs.

## HAWKS

Concluded from page 11

Talbert and Hall both scored in double figures as Talbert triggered the second quarter comeback and Hall fueled the second half.

The pair shared the Community State Bank TRIBCAST Player of the Game award in the win.

Scoring for Clopton against Elsberry: Hall, 13; Talbert, 12; Lockard, 6; Graham, 5; Frank, 5; Hammett, 2.

Coach Smith noted that Elsberry did an excellent job of executing their defensive game plan to pack it in and force Clopton to shoot from the outside.

"They controlled the boards with the big guys in the middle and we didn't do a good job of knocking down the outside shots. We found a way to overcome bad shooting and found a way to get in their zone and get easy shots. The players made adjustments and stuck to the process and found a way to win," he added.

The Hawks will bid farewell to a large group of seniors as Talbert, Graham, Kuntz, Lockard, Hammett and Frank will all graduate at the end of the year. The team will only return Hall from the starting lineup next season but

Coach Smith said there is exciting talent coming up.

**VISA MASTERCARD DISCOVER AMERICAN EXPRESS**

The Ecumenical Women's Breakfast group will meet on Monday, March 13 at 8:30 a.m. at Centenary United Methodist Church, Seventh and South Carolina Street in Louisiana.

The ladies of Calumet Presbyterian Church will be co-hostesses for the event. The program will be presented by Peggy Meyer, co-owner with her husband,

Charles, of the Meyer Farm and Little Noix Lavender Field in rural Louisiana. She will share information on how they grow items, what they grow and why. The program will include information about growing in a "High Tunnel" and how they got started with the lavender field.

A \$6 donation for the breakfast will go to causes voted on by the

group that day. Canned food items and toiletries for the Community Food Pantry, as well as items for the LANE's Backpack program for school children, are also welcome.

All women of faith are encouraged to attend this gathering and to bring along a guest. There are no membership dues to be part of this group.

## Haw Creek Club Holds Potluck Lunch At Jennings Opry

The Haw Creek Club met Wednesday March 1 at the Jennings Opry with a potluck lunch.

This was the first meeting since December 2016. There was no hostess for March but members thanked Dorothy Flowers and Lola Jennings for doing the work of hostess.

Flowers opened the day with a prayer. The carry-in potluck consisted of a great selection of dishes. Roll call was answered by

eight members by telling about their grandmothers' gardens. Members able to attend were, Leah Epperson, Frankie Epperson, Flowers, Jennings, Dorothy McCarthy, Diane Miller, Myrna Schuette and new member Ceara Flowers. Pauline Gibbs was able to attend late.

In April new officers will be installed. Flowers gave the card report. Members enjoyed remembering how many things have changed since they were young

children. Birthday wishes were given to Leah Epperson and members sang "Happy Birthday" to her.

Flowers and Jennings led the game of Family Feud. Members divided into two teams and had fun trying to guess the correct answers. The team of Ceara Flowers, Dorothy McCarthy, and Myrna Schuette were declared winners. Both teams were given prizes. Schuette will be next month's hostess.

## Toyota Bodine Drives Technology From Production Line Into Classroom

What do you get when you connect Toyota, technology and technical education? A state-of-the-art auto service and collision learning experience at Pike Lincoln Technical Center.

Toyota Bodine believes educational preparation and connectivity are key to success. Over the past year and a half, they have donated two vehicles from Toyota's Indiana plant (TMMI) and an engine from the Toyota Motor Manufacturing plant in Alabama to Pike Lincoln Technical Center for their Automotive Services classrooms.

"This donation is an important

cooperative partnership between Toyota's Indiana plant, Bodine, and Pike Lincoln Technical Center. We are committed to programs that further workforce development initiatives in all of our plant communities," said Wes Woods Vice President of Toyota Bodine.

The most recent donation Pike Lincoln received was a Toyota Highlander which came from the Toyota Motor Manufacturing Plant in Princeton, Indiana (TMMI) which employs over 5000 team members. The vehicle will be used in both the auto service and auto collision programs. Students in the auto service pro-

gram are taking the brake system and creating a fully functional brake system trainer from the components to illustrate the science behind breaking. The Highlander will provide training opportunities to students for the next 5-10 years. That translates into approximately 600 students being positively impacted by the donation.

"This vehicle gives us a chance to learn state-of-the-art technology that we will use when entering the workforce and help us to find good paying jobs," said Shane Nichols, Pike Lincoln Technical Center student.

Students with Pike-Lincoln Tech Center are pictured accepting a donation from Toyota Bodine recently.

### Slow Cooker Corned Beef

#### Ingredients

- 6 medium red potatoes, quartered
- 2 medium carrots, cut into chunks
- 1 large onion, sliced
- 2 corned beef briskets with spice packets (3 pounds each)
- 1/4 cup packed brown sugar
- 2 tablespoons sugar
- 2 tablespoons coriander seeds
- 2 tablespoons whole peppercorns
- 4 cups water

#### Directions

1. In a 6-qt. slow cooker, combine the potatoes, carrots and onion. Add briskets (discard spice packets from corned beef or save for another use). Sprinkle the brown sugar, sugar, coriander and peppercorns over meat. Pour water over top.
2. Cover and cook on low for 9-11 hours or until meat and vegetables are tender.
3. Remove meat and vegetables to a serving platter. Thinly slice one brisket across the grain and serve with vegetables. Save the remaining brisket for Reuben Strata (recipe also in Recipe Finder) or save for another use. Yield: 6 servings plus leftovers

## Katie Koenig Recieves First-Ever Spirit Scholarship At Black Hawk East

Katie Koenig recently received one of only two scholarships awarded at the 2017 Black Hawk East Agri-Business Club Alumni banquet.

The banquet was held on Jan. 28 in Galva, Ill., where the school is located. Koenig was presented the Freshman Spirit Scholarship, which is awarded to a returning sophomore who personifies BHE pride and ideals. This was the first

year for the scholarship and Koenig said she was honored to be a part of it.

Koenig also finished her first semester of college with honors, holding a 3.6 GPA while taking 21 academic hours of classes. The Eolia native is also on the Dean's list, an ag-business club representative, an ag ambassador and a member of the Intercollegiate Horse Show Team.

## From the Mayor's Desk...

Long ago the trains that rumbled through Clarksville brought people here to visit, to spend the week end or back to their homes from a trip elsewhere. Today the trains carry materials, goods and services and do not stop in this town. Clarksville is still here, people live here and there are active, open businesses here but other means of transportation are required to visit here.

Citizens have long identified Clarksville as more than just an ordinary place and guests are in general agreement with them. It is however much more difficult today to make a case for the city's distinctiveness that it was in the past. Clarksville is not alone, many American small towns have lost elements of their makeup that once identified them as unique and special. It is the cities that believe in themselves and their specialness that will have the best

JO ANNE SMILEY, MAYOR  
CITY OF CLARKSVILLE

chance of continued life. Clarksville citizens, volunteers, farmers, business owners all share in keeping this unhurried, unspoiled and uncommon city alive and well. Participation in events and celebrations of 200 years present multiple moments of reflection and enjoyment and lots of sharing!

Walkers in the park are increasing in number as the weather continues to improve and activity in yards throughout town shows signs of planning ahead for the beauty of spring. The anticipation is growing for events in the City like: Art Studio Tour, Book signing event for the Bi-Centennial Book, Clarksville Spring Market, Chili Cook Off, A Day in Oz and more. Each event promises to have something for everyone, don't miss these opportunities.

## Appreciation Day At White Rose

On Sunday, March 12 at 2:30 p.m., members of White Rose Baptist Church in Bowling Green will celebrate Appreciation Day in honor of their pastor and wife, the Rev. Marvin Davis and Lynn. Speaker for this occasion will

## Irvin Arrested For Suspended License

On Monday, Feb. 27 Vandalia Officer conducted a traffic stop in the area of Main and Arlington for a vehicle that had defective tail-lights.

Officer made contact with the driver and identified them as Amy Irvin, 34, of Vandalia.

A check of Irvin's Missouri driving record revealed a suspended drivers status. Irvin was placed under arrest and transported to the Vandalia Police Department where she was fingerprinted, photographed, and charged with driving while suspended. Irvin posted bond and was released with a date to appear in Vandalia Municipal Court.

Anyone arrested or issued a summons is presumed innocent until proven guilty.

## Women's Retreat To Feature Rhonda Rhea

Author, speaker, pastor's wife, and mother Rhonda Rhea of Troy will be speaking at the Women's Retreat Saturday, March 18 from 9 a.m. until 3 p.m. at the Elsberry Lodge.

The retreat will be based on Rhea's book, "Espresso Your Faith." With wit, wisdom and spiritual insight, she will share keys from God's Word to help women stay spiritually alert.

The coffee-themed retreat is

sponsored by Women on Mission (WMU) of Ramsey Creek Baptist Church. There will be praise and worship, testimonies, a mission project and Nicaraguan coffees to sample. Sign Language Interpreters will be present for the Deaf. Lunch will be served. There is no

Women of all ages are invited to attend, but because of limited space please RSVP to: Judy Colbert 573-754-0710, Angela Butler 573-754-2884 or Cathy Mitchell 573-242-3439 by Wednesday, March 15.

## Agape House To Receive United Way Funding

Board members of Agape House of Vandalia were happy to hear that they would again receive United Way of Audrain County funds for the year.

In other business at their Feb. 21 meeting, members learned that 45 people, including seven children, stayed at the house in December; in January 41 people, including four children, stayed. The house manager reported a need for bottled water for guests.

Board President Sterling Holbrook reported the potential water leak in the building remains under investigation as well as a defective thermostat in the manager's apartment. A loveseat was reupholstered and is back in place at the house.

Holbrook reported he would complete a form for Missouri State Employees Charitable fund and that he and Veanna Snodgrass would jointly complete an application for United Way funding later this spring.

Board members remain concerned for the health of another board member, Alberta Cropp. The next meeting will be held March 21 with the annual election of officers.

V. Snodgrass and Edith Westmoreland.

Monetary gifts received in December and January include the following: United Way of Audrain County; Antioch Church, Cyrene Baptist Church and Edgewood Baptist Church, all of Bowling Green; Thomas and Carolyn Hooton and Ramsey Creek Baptist Church of Clarksville; Bethlehem Baptist Church and United Methodist Women of Centralia; Trinity Presbyterian Church, Unitarian Universalist Church, and Richard and Carol Oliver, all of Columbia; Curryville Baptist Church, New Harmony Christian Church and Elm Grove Baptist Church, all of Curryville; Farber Baptist Church and Gladys Williams of Farber; John Ward Sr. of Punta Gorda, Florida; Grand Crossings Baptist Association of Fulton; St. Johns United Church of Christ of High Hill; Missouri Union Presbytery of Jefferson City; Nancy White of Roeland Park, Kansas; Arthur Wortman and Helen Renner of

Kansas City; Mr. and Mrs. Rubert Leverington of Kennett; Laddonia Christian Church; Bible Book Class of First Baptist Church, Lockwood Park Baptist Church and Friendship Baptist Church, all of Mexico; Cathy Dailey of Montgomery City; Immanuel Lutheran Ladies' Aid West Ely of Palmyra; Taylor Chapel United Methodist Church of Sedalia; Trinity Presbyterian Church of Springfield; St. Paul United Methodist Church of Thayer; Mary Scheffler of Leander, Texas; Hopewell Baptist Church and John Yost of Thompson; Spencer Creek Baptist Church, Altist Class of First Presbyterian Church, Southside Baptist Church, First Baptist Church, First Presbyterian Church, and First Christian Church, all of Vandalia; and Grace Lutheran Ladies' Aid and Hopewell Baptist Church Women of Wellsville.

Non-monetary gifts included printer cartridges by recycling by Jane Heim of Middletown and First Presbyterian Church of Vandalia.

### Louisiana Lions To Host Pancake, Sausage Day On March 11

Be it a quack or an oink, the Louisiana Lions Club is always happy to raise money for local needs.

The community service organization is hosting its 30th annual Pancake and Sausage Day fundraiser March 11. All-you-can-eat pancakes and sausage will be served from 7-11:30 a.m., at the Pike Pioneers Senior Center, 521 Georgia in downtown Louisiana.

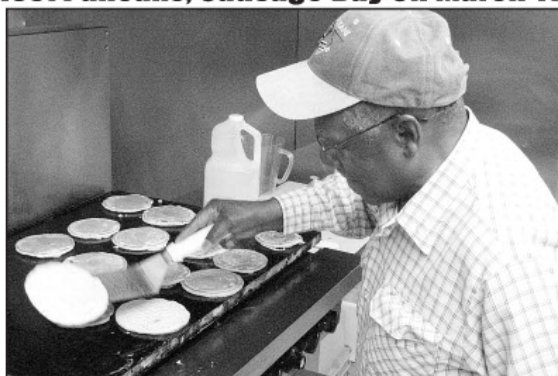

Tickets are available from Lions members or at the door, and are \$5 for adults and \$3 for children ages 12 and younger. The prices haven't changed in more than 20 years.

"People who attend will not only be getting a great meal, but they'll be helping a great cause," said Lions President Don Hamilton. "We appreciate all of the support we've received in the past, and we look forward to serving the community again in the future."

Proceeds will benefit a variety of project and people. The club makes donations to local groups and organizations, and contributes to Lions' Leader Dog for the Blind training school, Mid-South Lions medical research, the Missouri Lions Eye Research Foundation and the Missouri Lions Hearing Committee.

In addition, the club often pays for eyeglasses for needy local residents, and continues to collect eyeglasses and hearing aids.

Pancake and Sausage Day is second only to the Original Great Mississippi River Duck Hunt in generating money for local community projects. The duck hunt is held at Louisiana Country Colorfest in October in conjunc-

tion with the Bowling Green Lions Club.

Hamilton said Lions always has its door open for new members.

"Anyone who is interested in joining our group and helping the community should talk to one of us at Pancake Day," he said.

The following memorials to the Ellen Morrow Math Scholarship Fund (administered by the LHS Alumni and Friends Association) have been received in memory of:

\*Ellen Morrow from James H. Bopp; and Henry Pierce (Matching Gifts Program of Shell Oil Foundation).

The Louisiana Alumni and Friends appreciate the support of all who wish to see the work of the Association continue. Anyone wishing to contribute may send a donation to The Louisiana Alumni and Friends Association, P. O. Box 404, Louisiana, MO 63353 or through PayPal on the web site [www.louisianaalumniassociation.org](http://www.louisianaalumniassociation.org) at any time. Those contributions for the Scholarship Fund should be so designated. It's extremely helpful to also include the address of a person to whom the donor wishes a contribution

notification to be sent. Other monies are always welcomed to be used for general purposes (mailings, postage, fundraising projects, financial assistance to school programs, building projects, etc.) and should also be so designated.

The Alumni Association's primary concern and purpose is helping the students and the district in whatever ways possible.

The Association also has reprinted copies of its cookbook still available for purchase at the PCMH Gift Shop, the Louisiana Public Library and the State Farm Insurance Office, all in Louisiana, as an ongoing fundraiser.

Corrine - 1912

Corrine Utterback

## Utterback To Celebrate 105th Birthday

Corrine Utterback of Louisiana will celebrate her 105th birthday on Friday, March 10, 2017.

Her family plans to honor the occasion with a birthday card shower. Cards may be mailed to her attention at Lynn's Heritage House, 800 Kelly Lane, Louisiana, MO 63353. She will also be honored at a reception on Friday, March 10 from 2-4 p.m., at Lynn's Heritage House in Louisiana.

Corrine was born March 10, 1912 in Paris, the only child of Bert and Bid Ash. In 1912, Howard Taft was the 27th president of the United States; New Mexico and Arizona had just became the 47th and 48th states

respectively; a gallon of gas cost about seven cents and the Titanic would sink a month later.

The year 1912 was also the birth year of Lady Bird Johnson, Julia Child, Gene Kelly, and Perry Como.

Corrine was a graduate of Paris High School class of 1930. She married Dolph Utterback on Nov. 17, 1940. He died Jan. 19, 1980. She moved to Louisiana in 1944, where Dolph was employed by Hercules, Inc.

She is a member of the Centenary United Methodist Church and PEO. She enjoys playing bridge, dining out with friends, and spending time with family.

# Spring Pickers Market Coming To Quincy

The Quincy Spring Pickers Market is coming on March 10-11, to the Dick Brothers Brewery Complex in Quincy.

Everything from old furniture pieces, vintage and antiques, architectural salvage, and handmade home décor to boutique clothing, handmade jewelry, candles, spa-style bath treats, garden decor and accessories, & all sorts of mouthwatering gourmet foods.

"There will be more handmade craft vendors at this Spring Pickers Market than the shows that advertise as the largest in the area. This ain't your Granny's Craft Show. The spring pickers market is bigger and better with over 100 booths.", states Jackson Bishop, event organizer.

"These vendors are the best pickers and makers in the Midwest", continues Bishop. "There will be vendors here from 10 states."

Not only will every inch of the Dick Brothers Brewery Bottle House be filled with amazing booths, they are making the Spring Pickers Market bigger & better for customers.

How you say? They are adding more vendors, food trucks and live entertainment stage outside of the Bottle House (on YORK STREET between 9th & 10th) in the new "PICKER ALLEY". There will also be outside vendors located on "Picker Alley" and

inside the Solaro Art Gallery.

The Quincy Spring Pickers Market will be dedicating this year's event to the memory fellow vendor, Deb Damhorst owner of the Ohio Street Originals in Quincy. A special dedication is being planned for the event.

The local bands, the Cheeseburgers will be playing on the outside stage on Friday night and Country Fever will be playing on Saturday for the Market.

What about the historic tours of the tunnels located under the Dick Brothers Brewery that so many have asked about? They will be happening on Saturday beginning at noon! "Picker's Alley" will lead the way to take you on an interesting tour of the famous Dicks Brewery tunnels.

They also have two "holding areas" for your purchases and porters to help you load to your vehicle.
