## MoDOT Reveals Details For Two Bridge Replacements On Hwy. 79 At Noix And Buffalo Creeks

The bridges at Noix Creek and Buffalo Creek will be replaced this summer on Highway 79.

It is tentatively planned to begin with the Noix Creek bridge in Louisiana with the closure starting on Wednesday, July 5. Work on the bridge at Buffalo Creek looks to overlap starting a few weeks later.

The contracts for each bridge were based on an accelerated schedule of 80 days. The contractor will have to pay a fee for every day over that time frame. Both bridges will be closed simultaneously during a portion of August and September. The Noix Creek bridge is scheduled to be completed by Oct. 1 and the Buffalo Creek bridge by Nov. 1.

Detour routes were announced at a public presentation on

Thursday last week. Motorists are urged to use Highway 61 and Routes D and N.

It was pointed out that use of Route 251 will likely increase by local drivers. MoDOT officials noted there is no way they can prevent people from using the shortcut. Bucky Ward was at the meeting on behalf of the special road district and remarked that some anticipatory measures have been taken.

MoDOT officials were quick to point out that the work schedules are weather-dependent. The awarded contractor for both bridge replacements is L.F. Krupp Construction of Ellisville, MO. The total bid for Noix Creek and Buffalo Creek Bridges is just over \$2.5 million.

See BRIDGES on page 12

Officials with the Missouri Department of Transportation Kimberly Trainor and Brian Haefner take questions from those who attended a presentation last week on the upcoming closures and construction of bridges at Noix Creek and Buffalo Creek on Highway 79. Over 20 people attended the presentation and several more stopped by to look at visual displays and talk to officials about the plans for the new bridges that are slated for completion on an accelerated schedule by late October.

## Masked Man Attempts To Enter Three Vandalia Homes

**APRIL M. FRONICK • EDITOR**  
[april@thepeopletribune.com](mailto:april@thepeopletribune.com)  
The Vandalia Police Department continues to investigate reports from three residents that a man wearing a ski mask tried to gain entry into their homes last week.

Vandalia Police Chief Chris Hammann said all three incidents took place late Thursday evening between 9-11:30 p.m. Suspect details are sketchy at this time but

it appears the perpetrator was working alone and may be in his 30s-40s wearing a black ski mask. It further appears the suspect was acting on foot without a vehicle.

The first home invasion attempt occurred at the home of an elderly woman in the 900 block of South Maple Street. The suspect attempted to break in through a rear window and then attempted to pry the rear door

See SUSPECT on page 12

## Negotiations Continue For Union Brick Plant Employees To Avoid Strike

**APRIL M. FRONICK • EDITOR**  
[april@thepeopletribune.com](mailto:april@thepeopletribune.com)  
Union employees at HarbisonWalker International in Vandalia have three more weeks for contract negotiations after an extension was provided.

Union employees voted 66-34 on Friday last week to reject the contract that had been proposed. A strike was avoided by the three week extension. A company official said there are about 125 union

## Cyclists End Major Event At Louisiana Riverfront

The Big BAM Bicycle Ride ended at the Louisiana Riverfront on Friday, June 16 with a day-long event that concluded with fireworks. More than 500 cyclists finished a week-long 300-mile ride across the state at the riverfront. The event featured entertainment for all ages including train rides, a bounce house, bicycle obstacle course and decorating contest, food and drink stands and live music. LEDC and other community groups sponsored the event and took part in making the day a huge success. Above, Tom Bruns and Amanda Christmann of St. Louis and Cal Swickard, of Anthony, Kan., raise their bicycles at the conclusion of their ride. Find more on page 9.

See SCHEDULE on page 13

## Counterfeit Money Turns Up In Frankford & Other Local Areas

**APRIL M. FRONICK • EDITOR**  
[april@thepeopletribune.com](mailto:april@thepeopletribune.com)

Counterfeit money has turned up around the area over the past couple of months and in Frankford and Vandalia last week.

Frankford Chief of Police Joey Minor said two individuals will be charged in connection with the incidents. The names of the individuals were not released as of press time.

Minor noted that residents and businesses should check all cash. He explained that criminals will often mix counterfeit bills with real currency when perpetrating such crimes.

"If the currency has [foreign] markings or 'for motion picture use only' on the bills, do not accept them," Minor remarked. He added that anyone who is suspicious of bills should take them to a local bank for verification.

A Frankford business was hit on Tuesday last week. Similar bills turned up at the Vandalia license office. Vandalia Police Chief Chris Hammann said the department is going through surveillance footage and the investigation is ongoing.

Louisiana Police Chief April Epperson said twenty-dollar bills have also been passed there.

See MONEY on page 12

## Blackwell Competes In Outstanding Teen Pageant

Twenty five Miss Missouri Outstanding Teen contestants, their pageant directors and families traveled to Mexico Monday, June 12 to kick off a week filled with rehearsals, talent performances, interviews and evening gowns as the Miss Missouri Scholarship Pageant and Miss Missouri's Outstanding Teen Pageants kicked off at Missouri Military Academy.

This group included Miss River City's Outstanding Teen Taylor Blackwell, 16, the daughter of Troy and Amy Blackwell of Frankford. She attends Bowling Green High School. Her platform is Readers Are Leaders.

The teens were officially welcomed Monday at the Mexico

Elks Lodge during a brunch where they were greeted by Outstanding Teen Pageant Director Steve Wilson, Miss Missouri Scholarship Pageant Chairman of the Board Ann Jolly and Reigning Miss Missouri's Outstanding Teen Christina Stratton.

**On June 26:** Bowling Green First Presbyterian Church will be hosting a blood drive from noon-6 p.m. Free Cardinals t-shirts and hot dogs will be available while supplies last.

**On June 30:** Those who wish to keep their flowers from Antioch Cemetery need to remove them by June 30.

## YMCA Receives First Round Approval

The Eastern Missouri YMCA Project is in the process of seeking a 10-year, interest-free loan through the Rural Economic Development Loan and Grant Program (REDLG) and the first phase of a two-phase process has been approved.

This loan is critical to the project in order to turn pledges that will be collected over the next several years into money to begin construction. The interest-free REDLG loan will save approximately \$200,000 in interest that would be paid under a traditional loan, and it will allow 100 percent of the donations received to be incorporated into the YMCA facility.

The REDLG loan requires a sponsorship through a qualified utility company. Consolidated Electric, based in Mexico, has reviewed the YMCA project and has agreed to sponsor the loan with some minor conditions. The first condition was a guarantee from the Vandalia Recreation Corporation to ensure repayment of the loan, which was approved at the June 6, 2017 Vandalia Recreation Corporation meeting. The other items requested were information regarding the Rual Morris Foundation pledge and support from the City of Vandalia should Rual Morris not complete

their pledge. The Rual Morris Foundation has fully committed to the YMCA project, so the motion of support from the City of Vandalia is just an added layer of security. In addition, the Rual Morris Foundation amended their pledge to be payable over 10 years instead of 15. This pledge change coincides with the 10-year duration of the REDLG loan.

The second phase of the approval process is submitting a variety of information to the United States Department of Agriculture (USDA). The additional information is due on June 30, and the project will be reviewed by the USDA over the summer months.

The YMCA Project would like to thank Consolidated Electric, the Rual Morris Foundation, and the City of Vandalia for their efforts in securing the first phase of the REDLG loan. The completion of this project will enhance the area and provide a facility for all ages to enjoy.

Donations are still needed for the project. Please visit the project website, [www.emoymca.org](http://www.emoymca.org) to access a pledge form or email [emoymca@gmail.com](mailto:emoymca@gmail.com) with any questions. Please become a part of this community-changing project by making a donation.

## Popcorn World Ready For Business

Second graders at Van-Far Elementary School are running a business during summer school called Popcorn World. The business is open Monday-Friday this week from 10:30 a.m.-12:45 p.m. Popcorn is 50 cents per bag. Students applied for a "loan", pop, bag and sell the popcorn and chart the daily sales. All proceeds will be used to purchase new playground supplies. Pictured from left: Caleb Baskett, Chase McAfee, and Ebony Fraction are taking fourth grader Tessa Smith's order.

## Two Arrested Following High-Speed Chase

Two individuals are in custody following a high-speed chase that led law enforcement through Audrain County and ended in Pike County.

Marty Poff, 49, of Kansas City, Kan., and Brandy Sport, 38, of Jefferson City, were arrested following the incident that took place on Wednesday, June 14.

According to a report from the Boone County Sheriff's Office, the incident started just before 3 a.m. Law enforcement attempted to stop a silver four-door Chevrolet Impala that was discovered to have stolen license plates. The vehicle was traveling east on Highway 54 from Callaway into Audrain County.

At approximately 3:16 a.m., Audrain County Sheriff's deputies spotted the vehicle near Laddonia and attempted to stop the vehicle. The driver refused to stop traveling northbound on Highway 19 to Highway 54.

The pursuit ended on Highway U in Pike County when it appeared the driver decided he could no longer outrun law enforcement officers. Poff and Sport was taken into custody without incident.

Upon their arrest, Poff and Sport were found to have in their possession controlled substances as well as drug paraphernalia. The silver four door passenger car involved in the incident was further found to be stolen from Kansas City, Mo. Poff and Sport were subsequently transported to the Audrain County Jail.

Poff was arrested for tampering with a motor vehicle, driving while suspended, failure to yield to an emergency vehicle, resisting arrest, possession of heroin, possession of methamphetamine, and possession of drug paraphernalia.

In addition, Poff was wanted on a Wyandotte County, Kan., arrest warrant for probation violation on the original charge of distribution of methamphetamine.

Sport was arrested for tampering with a motor vehicle, possession of heroin, possession of methamphetamine, and possession of drug paraphernalia.

*Suspects are considered innocent until proven guilty in a court of law.*

## Card of Thanks

We would like to thank everyone for the prayers, food, flowers, cards and memorials during the loss of our loved one

## "Fred Davis"

Special thanks to the staff on the 6th floor at the Boone Hospital Center in Columbia for all the wonderful care, love and concern for Fred and our family and to Dr. James Brocksmith. Thanks to our Minister Jamie Franke for the visits to the hospital and our home.

Thanks also to the Deacons and Elders who came to the house.

Thanks to Sandra Chandler for sitting with Fred so I could work. Thanks to Dana for driving all the way from Texas and that "Special Meal!"

Thanks to Sandy and Dana for the drink to go with the meal.

Thanks to Christy Franke for all the hard work on the DVD's for the photos and CD's for the music.

Thanks to the Ladies of First Christian Church for the wonderful meal.

Thanks to Tim Kurz, our son-in-law, for the wonderful eulogy at the service. Fred would have been proud. Fred would have been so pleased with the outpouring of love to him and our family.

Thanks to my wonderful staff for keeping the office going and to my policy holders for being so patient with me.

Thanks to the "Special Staff" at Tri-County Nursing Home.

Thanks to Matt Robinson for keeping my yard mowed and for helping us get Fred in and out of the house.

May God Bless each and everyone who did anything for us. We are truly blessed.

## Apply Online Starting July 1 For A Shot At More Than 100 MDC Managed Deer Hunts

Beginning July 1, deer hunters can apply online through the Missouri Department of Conservation's (MDC) website for a shot at more than 100 managed deer hunts throughout the state for archery, muzzleloading, and modern firearms from mid-September through mid-January at conservation areas, state and other parks, national wildlife refuges, and other public areas. Some managed hunts are held specifically for youth or for people with disabilities.

The managed deer hunt application period is July 1-31. Hunters are selected by a weighted random

drawing. Draw results will be available Sept. 1 through Jan. 15. Applicants who are drawn will receive area maps and other hunt information by mail.

Get more information on managed deer hunts, preview hunt details, and apply starting July 1 at [mdc.mo.gov/managedhunt](http://mdc.mo.gov/managedhunt).

Details about managed hunts can also be found in MDC's "2017 Fall Deer & Turkey Hunting Regulations and Information" booklet available starting in early July at MDC offices and nature centers, from permit vendors around the state, and online at [mdc.mo.gov](http://mdc.mo.gov).

## MO State Lists Area Graduates

Missouri State University conferred 2,651 degrees to students at its 2017 spring commencement May 19 at JQH Arena.

A total of 1,995 bachelor's degrees, 554 master's degrees, 93 doctorate degrees and nine specialist degrees were conferred.

Beyond the standard expectations, the university recognized 121 students for their work with a more rigorous curriculum in Missouri State's Honors College.

Scholastic honors were given to 129 students who graduated summa cum laude (with grade point averages of 3.9-4.0 on a 4.0 scale), 165 who graduated magna cum laude (with GPAs of 3.75-3.89) and 329 who graduated cum laude (with GPAs of 3.5-3.74).

Area graduates include Halie Meyer of Bowling Green, bachelor of science in agricultural business, and Tabetha Hopke, bachelor of science in psychology.

# COMMUNITY NEWS

## Look Before You Lock...

BROUGHT TO YOU BY PIKE COUNTY HEALTH DEPARTMENT, HOME HEALTH AND HOSPICE

Mika was only six months old when she died from heat stroke after being left in a vehicle. Mika's father dropped off her sister at school, but Mika fell asleep in her rear-facing car seat while her dad was distracted by a phone call with news of a possible job after having been laid off weeks before. The road he normally took was blocked so he had to take a detour. He stopped at the post office where he ran into a friend he'd been helping with a project at church. He then drove to the church, not realizing until later that day, he never dropped Mika off at day care. When Mika was found, it was too late.

On average, 38 children die in hot cars each year from heat related deaths after being trapped inside a motor vehicle. Even the best of parents or caregivers can unknowingly leave a sleeping baby in a car, and the end result can be injury or even death. Between 1990 and 2016 the number of child vehicular heat stroke deaths in the US was 793, with 20 of them being in Missouri. 87 percent of children who have died from vehicular heat stroke are age three and younger.

Facts show new parents suffer from exhaustion due to lack of sleep, hormone changes, stress, and changes in their normal routine. Any one of these changes can cause your memory to fail at a time you least expect it.

Children have died in hot cars when the outside temperature was as low as 60 degrees. A child's body temperature overheats three-five times faster than an adult body. Cracking the windows does NOT help slow the heating process or decrease the maximum temperature. The inside of a vehicle heats up very quickly. Even with the windows cracked, the temperature inside a car can reach 125 degrees in minutes. Two-thirds of the increase in temperature happens in the first 20 minutes.

Planning can help keep your

child from being hurt. Follow these safety tips:

Never leave children alone in or around cars - not even for a minute.

Make it a routine to open the back door of your car every time you park to check that no one has been left behind.

Put something in the back seat to remind you to open the back door every time you park - cell phone, employee badge, handbag, brief case, etc.

Keep a stuffed animal in baby's car seat. Place it in the front seat as a reminder when baby is in the back seat.

Ask your babysitter or child care provider to call you if your child hasn't arrived as scheduled.

Make sure children cannot get into a parked car.

Keep vehicles locked at all times, even in the garage or driveway. Ask home visitors, child care providers and neighbors to do the same.

Keys and remote openers should never be left within reach of children.

If a child goes missing, immediately check the inside passenger compartments and trunks of all vehicles in the area very carefully, even if they are locked. A child may lock the car doors after entering a vehicle on their own, but may not be able to unlock them.

If you see a child alone in a vehicle, get involved. Call 911 immediately. If the child seems hot or sick, get them out of the vehicle as quickly as possible.

Be especially careful during busy times, schedule changes, and periods of crisis or holidays. This is when many tragedies occur.

Use drive-thru services when available - restaurants, banks, pharmacies, dry cleaners, etc. and pay for gas at the pump.

Please share these important safety tips with your child care providers, teachers, relatives, friends, family and neighbors ... it could save a precious life!

For more information go to [www.kidsandcars.org](http://www.kidsandcars.org).

## Free Testing Of Dial Pressure Gauges

The University of Missouri Extension - Pike County office will host a food preservation program on Friday, July 7 from 10 a.m. to 2 p.m. Jim Meyer, Nutrition and Health Education Specialist, will be on hand to test dial pressure gauges for accuracy and answer questions about home food preservation. Don't miss this opportunity to learn about home food preservation and have your dial gauges tested for free. The University Extension office is at 115 West Main Street on the first floor of the courthouse in Bowling Green. Please call the office at 324-5464 to schedule an appointment if you need your gauge tested.

Dial pressure gauges need checked every year for accuracy. Testing a gauge usually takes about 10-20 minutes. You only need to bring the canner lid with the dial gauge attached. You do not need to detach the gauge from the lid.

Having an accurate gauge is important because low acid foods such as green beans must be pressure canned to reach a temperature high enough to

kill any botulinum spores present in the food. If the dial gauge is inaccurate the canner may not reach a high enough temperature during processing. This is very dangerous. You should have your dial gauge checked each year. Also, if you buy a new gauge it should be checked as well. There is no guarantee that a new gauge is accurate or has not been damaged.

University of Missouri Extension has several guide sheets to help you with food preservation from freezing, drying and canning food to making pickles or jams and jellies. The sheets are packed with easy to follow, step-by-step instructions and the procedures are researched based to help ensure you preserve a safe product. You can get these guides from your local office or print them from our web site: <http://extension.missouri.edu>.

Whatever method of food preservation you decide to use, remember University of Missouri Extension has many resources that can help you preserve your food safely.

## Roberts Couple Speaks To Farmer-Farmerettes

The Laddonia Christian Church served once again as the meeting place for the Farmer-Farmerette Club on Saturday, June 3.

President Kay Reading led the pledge to the American Flag. This month's special guests were the church pastor, Dale Roberts, his wife Joy and their three foster children, Lily, Jacob, and Elsie. Pastor Roberts said grace before a carry-in dinner was enjoyed, and afterwards he and his wife gave a talk on being a foster parent.

The Roberts have been serving as foster parents since 1964 to children from birth to age eight. They told of the ups and downs as well as the blessings and joy each child brings. Several of their foster children have had special needs. There is no age limit on applying or becoming a foster parent, but the qualifications are pretty strict.

It is hard not to get attached and as each child leaves a piece of your heart goes with them. There are different rules to follow for each county and state. They told several interesting stories of their life as foster parents. Some sad but most are amusing. It takes a very special person to become a foster parent because it changes your life and the Roberts are great example of this.

After the Roberts talk, the club got the meeting going for forward. The roll call was to bring a favorite dish and the recipe. This was the meal everyone enjoyed earlier. Members present were Kerri Reading, Pauline Oberman, Clara Shaver, Kay Reading, Ginger Mangan, Claudine Lybarger, and Jeannie Smith.

The devotional was on Ephesians chapter 6. Song leader Pauline Oberman led the group in singing, "June Is Bursting Out All Over", a lovely song but new to

most of the members. The mystery prize donated by Shaver was won by Mangan. Most everyone received gifts or cards from their secret pals.

Shaver gave the treasurer's report and Smith read the minutes from the last meeting. Lybarger had the game and everyone won a prize. Pauline Oberman was this month's birthday girl.

Next month's meeting will be held on July 1 at the home of Kay Reading.

## SOCIAL SCENE

Dustin VonVain & Tasha Genovese

### Tasha Genovese To Wed Dustin VonVain

Walter and Vernita Genovese are pleased to announce the engagement of their daughter, Tasha, to Dustin VonVain. He is the son of Gloria Dowell of Wellsville.

Tasha is a 2008 graduate of Van-Far High School and a 2011 graduate of Moberly Area Community College with an associate's degree in business management. Tasha is currently employed at Green Supply as the bookkeeper.

She is the granddaughter of the late Sam and Anna Genovese and the late Vernon and Rita Maiden.

Dustin is the grandson of the late Donald and Delcie VonVain.

Dustin is a 2003 graduate of Wellsville-Middletown High School and is currently employed at Dowell's Body Shop in Wellsville.

A September 2017 wedding is planned.

### MC State University 2017 Dean's List

Each semester, students at Missouri State University who attain academic excellence are named to the dean's list.

For undergraduate students, criteria include enrollment in at least 12 credit hours during the spring semester and at least a 3.50 grade point average (on a 4.00 scale).

Area students named to the list include: Kacey Kadlec, Bowling Green; Ashley Ray and Sydney Young, Clarksville; Kyla Bruenderman, Foley; Emily Francis, Louisiana and Kambrin Hartsell, Vandalia.

### White Rose Baptist Family, Friends Day

On Sunday, June 25 White Rose Baptist Church will celebrate its annual Family and Friends Day. Service for the afternoon will begin at 2:30 p.m.

Guest speaker for the occasion will be the Rev. Debbie Thorton along with her congregation from Bethel A.M.E. Paynesville.

Dinner will be served following morning service. Everyone welcome.

The Rev. Marvin Davis, pastor.

### In The Game Today

#### For A Winning Tomorrow

We're teaming up with Grinnell Mutual to celebrate our area athletes competing on the diamond. We hit a home run in insurance protection and service every time. Trust in Tomorrow.

### Two Area Students Graduate From William Woods

William Woods University celebrated its 147th commencement on Saturday, May 6.

The university conferred 840 degrees, including 243 undergraduate and 597 graduate students. They earned degrees including: associate of applied arts, bachelor of arts, bachelor of fine arts, bachelor of science, bachelor of social work, master of business administration, master of education, education specialist in administration, and doctorate in educational leadership.

Award-winning country music star and New York Times best-selling author, Jimmy Wayne, spoke at the undergraduate ceremony in the morning, while Dr. Sherri Thomas, a William Woods alumna and principal of the Lewis and Clark Middle School in Jefferson City, spoke to the graduate students in the afternoon.

Local students who graduated include: Molly Naxera, of Louisiana, received a bachelor of science cum laude, with a major in criminal justice and psychology.

Kaitlyn Niemeyer, of Bowling Green, received a bachelor of science, with a major in business administration.

### Bethel A.M.E To Hold Annual Fish Fry

The Bethel A.M.E Church, Paynesville is making plans to hold its Annual Summer Fish Fry on Friday, July 14, from 10 a.m.-3 p.m.

They will be serving catfish filets, dinners or sandwiches. Dinners will consist of baked

beans, potato salad and by special request have added cole slaw, you may have a choice of two, desserts and drinks.

The men's department of the church will be frying the fish. Everyone is welcome. Carry-outs will be available.

# PCMH 'Tee Off Fore Tots' Golf Tournament Is Big Success

Annual Event Raises More Than \$17,000

The Foundation for Pike County Memorial Hospital held its 21st Annual "Tee Off Fore Tots" golf tournament on June 2, at the Eagles Bluff Golf Course in Clarksville.

There were 18 teams and 71 golfers. The event raised over

\$17,000.

All proceeds from this worthwhile event go to meet the health needs of area children. Those interested in receiving an entry form for next year's event, please contact Sherry Grote at Pike County Memorial Hospital.

The Dean Thomas team took first place in the tournament on June 2.

The Commerce Bank team took second place in the tournament.

## Thank You!

Donna Calicott has recently made the decision to retire after 30 years of ownership of Donna Calicott Insurance LLC.

I have sold my business to Fred Carlson, a Bowling Green resident. Fred will continue to operate the business from the same location, 310 Business Hwy. 61 South and will offer all of the same services. I want to express my sincere appreciation to the many customers who put their trust in me over the years. I enjoyed meeting each customer and assisting with your needs.

*I would like the opportunity to personally thank you for your patronage and provide the opportunity to meet Fred.*

Please plan to stop by on June 30 from 11 a.m. to 2 p.m. so I can thank you personally

Kids look on as Frank Salter, a retired chemist with Continental Cement in Hannibal, showed off his wizardry at the Louisiana Area Historical Museum last week sharing his love of science with those at the program. The program for "kids of all ages" will feature a bald eagle program this week on Wednesday at 1 p.m. All programs are free to the public. Trib photo by April M. Fronick

## 'Mr. Wizard' Visits Louisiana Museum

*This Week's Program Will Feature Bald Eagle Info*

Frank Salter, retired chemist with Continental Cement in Hannibal, visited the Louisiana Area Historical Museum on Wednesday, June 14, bringing gadgets, optical illusions, and scientific wonders to thrill museum guests.

Seventy-five children from the YMCA summer program, their teachers, and many parents and young children watched as "Mr. Wizard" first surprised the audience with tricks, then explained how the illusions were accomplished using "science." Children watched as he demonstrated fiber optics, how vibrations produce

sound, how waves travel through the air, and how his nose appears to grow larger and smaller.

The museum, located at 304 Georgia, is open Tuesday through Friday 1-3 p.m. and Saturday 10 a.m. until noon, with free special events each Wednesday in June at 1 p.m. for "Kids of All Ages."

This Wednesday, June 21, Karen Armstrong, with the Missouri Conservation Department, will be bringing information on Bald Eagles, and Wednesday, June 28, will feature "Safety Around Animals."

All summer programs are free to the public.

employees at the brick plant and about 30 company employees.

A meeting is tentatively slated for Sunday, July 9 though union officials are hopeful that an agreement can be reached before that.

Mike Susic, representative for United Steelworkers Local 853 said employees have been work-

ing with the current contract for the past five years. He noted that he couldn't discuss the specifics of negotiations.

"We're going to work with the membership to ascertain the issues and work with the company to come up with a proposal and then get an agreement."

The three-week extension to the current contract will keep things going at the plant until the new July 9 deadline.

## VBS Planned At Whiteside Baptist

"Come and join us during the week of June 26-29, for 'Cave Quest: Follow Jesus, the Light of the World,' at this year's vacation bible school in Whiteside. They invite all young people ages pre-school through fifth grade to join us for a time of games, food, crafts, and fun! Come join them each day from 9-11:30 a.m., at the Whiteside Presbyterian Church. Likewise, join us for the community 'block party' that will be held on Thursday, June 29 following

the conclusion of VBS.

North Lincoln Parish and Whiteside Baptist Church are the co-sponsors of the vacation bible school.

The community is located in the city of Whiteside which is one mile west of Lincoln County Highway Z off US 61.

For more information and pre-registration, please contact Murray or Julie Phillips at 573-485-6996, or by e-mail at mpofnorthlincoln@yahoo.com."

## Area Students Named To Dean's List

A total of 279 students have been named to the spring 2017 dean's list for exemplary academic performance at Westminster College located in Fulton.

The list includes 26 freshmen, 55 sophomores, 71 juniors and 127 seniors.

Those honored students include: Paige Harris, seniors, Laddonia, and Danielle Brooks, sophomore, Martinsburg.

The dean's list recognizes those Westminster students who have shown high academic performance during the past semester. To be included on the dean's list, a student must have a 3.60 semester grade point average with at least 12 hours completed that semester.

## MU Announces Dean's List

The University of Missouri spring semester 2017 dean's list has been announced as follows:

Vandalia - Bryan Jay Mink, junior, arts & science; Molly Lynn Nagel, junior, journalism; Renee E. Nelson, sophomore, agr-food and natural resources.

Bowling Green - Bradford Douglas Feather, junior, agr-food & natural resources; Shelby Lyn Klocke, senior, health professions; Matthew J. Magee, freshman, natural resources; Lauren Kathleen Merz, sophomore, education; Angela Nicole Noelsch, senior, nursing; and Dalton Kaylann Sisson, junior, arts & science.

Curryville - Ashlee Amelia Waddell, senior, post-cassalaureate.

Frankford - Austin J. Koester, senior.

New Hartford - Brandon Joseph Franz, senior, agr-food & natural resources.

Center - John Clayton Robinson, sophomore, agr-food & natural resources.

# Red Cross Blood Drive Set For Millwood

## Citizens Urged To 'Give Now And Give Often'

The American Red Cross urges eligible donors to give blood this summer for hospital patients in need and offers three easy steps people can take to help save lives.

1. Schedule - Use the free Red Cross Blood Donor App, visit redcrossblood.org or call 1-800-RED CROSS (1-800-733-2767) to make an appointment.

2. Prepare - Get a good night's sleep, eat a nutritious meal and drink extra fluids.

3. Give - The donation process start to finish takes about an hour. The actual donation only takes about 10 minutes.

Only about three percent of the U.S. population gives blood, which means a heavy reliance on repeat donors to maintain a sufficient blood supply. New blood donors are especially needed during the summer months because many schools where blood drives are held - and where new donors give - are not in session, and current donors often delay giving due to summer vacations.

Patients like Anna Schuster might not be here without generous volunteer blood donors. Doctors gave Schuster a 1 percent chance of survival after a collision with a semitrailer. During the first 12 hours after her accident, she received 65 units of blood. Schuster's road to recovery has been long - 58 surgeries in the 12 years since her accident, including four in the past 14 months, with many of them requiring more blood transfusions.

Every day there are thousands of patients like Schuster who rely on lifesaving blood donations. That's why donors are urged to "give now and give often."

In June, the Red Cross joins blood collection agencies around the world marking World Blood Donor Day by raising awareness about the need for a readily available blood supply. Make an appointment to donate blood by downloading the free Red Cross Blood Donor App, visiting redcrossblood.org or calling 1-800-

RED CROSS (1-800-733-2767). Donors can make an even greater impact by inviting others to join them in giving.

Upcoming blood donation opportunities include Wednesday, June 21, 3-7 p.m., Millwood Knights of Columbus, 24 St. Alphonsus Rd.

## Haw Creek Club Meets At Opry

The Haw Creek Club met Wednesday, June 7 at the Jennings Opry with Lola Jennings as hostess. The meeting was opened with a prayer given by Dorothy Flowers.

Lola Jennings son Brian Jennings prepared delicious barbecued ribs for members and they were greatly enjoyed by all. Members added to the meal with side dishes. After lunch the meeting was opened with pledges to the flag of the United States and the state of Missouri.

The roll call was answered by Brenda Cook, Frankie Epperson, Leah Epperson, Dorothy Flowers, Pauline Gibbs, Lola Jennings, Dorothy McCarthy, Diane Miller, and guest Alecia Flowers. Members answered to a saying they remember their father using.

Also present were Hayden and Holden Buchanan.

Song for the month "Let There Be Peace on Earth" was sang. There were no minutes read as the secretary was not present. Brenda read the Treasurers report and it was accepted. The door prize was won by guest Alecia Flowers. Lola gave the card report.

The program was given by Brenda. She displayed many of the beautiful scrap booking cards she had made and talked on how they were made. Members then all signed a card for one of our members. Lola provided a game of question and answer which all enjoyed.

Game winners were Pauline, Frankie, Brenda and Diane. The club collect was recited and the meeting was closed.

### Rotary Donates To KIM

The Bowling Green Rotary Club presented a check to Kids in Motion on June 13 at their weekly meeting. The Rotary Club is very happy to support local organizations.

There have been multiple problems over the years with the bridge over Noix Creek on Highway 79 in Louisiana. Trib photo by April M. Fronick

Numerous individuals stopped by the public meeting held by the Missouri Department of Conservation on Thursday, June 15 at the Abel's headquarters in Louisiana. Visual displays of the current bridges and the spans that will be constructed were made available to visitors in addition to many officials who were available to answer questions. The total price of the two bridges will be over \$2.5 million. Trib photo by April M. Fronick

Visual displays of both bridges and the proposed construction were made available to the public last week. Trib photo by April M. Fronick

## BRIDGES

Continued from front page

### DETAILS ABOUT THE NEW BRIDGES

**Noix Creek Bridge:** The bridge is currently 217-feet long and 24-feet wide with a pedestrian walkway. There are multiple areas of exposed rebar on the bridge that was constructed in 1935.

The proposed Noix Creek Bridge will be 244-feet long and have an overall width of 38-feet. It will have a travelway of 22-feet with 2-foot shoulder on the west and a 6-foot shoulder on the east side of the bridge. There will also be a 5-foot protected pedestrian walkway along west side of the bridge.

The proposed bridge will further be approximately a foot and a half higher than the existing bridge. The proposed elevation coincides with a flood study performed by the U.S. Army Corps of

Engineers and the City of Louisiana.

The new bridge could lessen the occurrences of flooding; however, it will not eliminate flooding due to the lower elevation of the railroad crossing. The cost for Noix Creek bridge is \$1.4 million and the new bridge is expected to have a life span of 75 years.

**Buffalo Creek Bridge:** The bridge is currently 187-feet long and 22-feet wide with multiple areas of exposed rebar on the bridge that was constructed in 1935.

The proposed Buffalo Creek Bridge will be 206-feet long and

## SUSPECT

open, damaging the frame. The victim was home at the time of the attempted invasion and called 911. Officers responded but were unable to locate the suspect.

Two other break-in attempts were reported in the same area later in the evening. None of the attempts were successful.

Hammann urges residents to take precautions and be vigilant. He noted that he had extra patrols over the weekend from the Audrain Sheriff's Department.

## MONEY

Continued from front page

"We had counterfeit money a few months back and a couple more recently. Some is 'motion picture money' and the other was the money with red foreign writing and black dotted lines," she said, adding both types of counterfeit bills can be purchased online.

Epperson said a local bank caught some bills that had been passed at a convenience store. She noted they have been sent to the federal level.

Bowling Green Chief of Police Don Nacke said fake money had

A photo of a counterfeit hundred-dollar bill with the wording "for motion picture use only" was posted on the Frankford Police Department page on Facebook following its passage at a local business last week. Similar fake bills were passed in Vandalia and Louisiana recently.

turned up in town a couple of months ago.

It is likely the incidents are related and law enforcement agencies are working together on the

issue.

Watch the Trib's Facebook page and next week's edition for more on the investigation and charges that have been filed.

The new Buffalo Creek Bridge on Highway 79 will cost over \$1.1 million and will be longer and wider to accommodate the bike path that is currently pinched at the crossing. The Ashland-Hercules overhead truss will also be removed during construction that is slated to be complete by Nov. 1. Trib photo by April M. Fronick

The crossing at Noix Creek has been problematic for several years. The new span will be longer and wider with a protected pedestrian walkway on the west. Trib photo by April M. Fronick

## Event Planned To Benefit Fran Looney

A benefit will be held on July 8 at the St. Clement KC Hall for Frances (Fran) Looney, of Silcox, who is battling breast cancer.

The event is being held by her employer, American Botanicals.

Activities are set to begin at 1 p.m. There will be a horseshoe and cornhole tournament. There will be a \$10 entry fee per person per tournament. Prize money (half of all entry fees) will be presented to winners. The remaining entry fees will be donated to Fran.

There will also be a cash bar, silent auction (with many local businesses donating items for bid) and face painting and other activities for kids.

A pulled pork dinner with bottomless cup starts at 6 p.m. followed by music until midnight. Tickets purchased in advance: \$30 for adults over 21-years-old, \$20 for those 21 and under and children under five-years-old are free. Tickets purchased at the door will be \$35. Organizers as that all purchases be made in cash so that all proceeds can be turned over to Fran directly.

Organizers say Fran has faced many obstacles in the last year, including the loss of her husband to cancer in September. She was diagnosed early this year with breast cancer. She cares for her handicapped adult son, supporting

both of them on her income alone. She is struggling financially to support both of them, as well as mentally and physically while enduring weeks of sickness as a result of chemotherapy. All the while, she still shows up to work as much as she can knowing she has no other option. Benefit organizers note Fran is so very strong, and has too much pride to admit that she is in desperate need of all the help she can be given.

For more information on how to buy tickets, donate or help the cause in another way please contact Mercedes Lindsay, Traci Edgar or Angel Shade at American Botanicals 573-485-2300.

## BLACKWELL

Continued from front page

Preliminary competitions began Tuesday for the teens with the interview portion of the competition and will continue through Thursday morning. Teen finals were Friday, June 16.

The pageant concluded Friday, June 17 at Missouri Military Academy with the crowning of Miss Springfield's Outstanding Teen Heleena Haberer of Branson. She will represent the state at the national pageant in Orlando in July.

The judges also selected Miss Greater Springfield's Outstanding Teen Shae Smith, first runner up; Miss Metro St. Louis' Outstanding

Teen Addyson Wilgus, second runner up; Miss Heart of the Ozarks' Outstanding Teen Lauren Vanlandingham, third runner up; and Miss Kansas City's Outstanding Teen Kaitlyn Rigdon, fourth runner up.

In addition, the judges also picked Miss River City's Outstanding Teen Taylor Blackwell as a member of the Top 10. Blackwell, 16 is the daughter of Troy and Amy Blackwell of Frankford. She attends Bowling Green High School. As a member of the Top 10, she received a \$200 scholarship.

The winner of the Miss Missouri's Outstanding Teen Pageant will compete at the Miss America's Outstanding Teen Pageant in Orlando, Fla., in July.

Pictured, from left, Taylor Blackwell and Miss Missouri's Outstanding Teen Christina Stratton.

Taylor Blackwell is pictured with her little princess, Millie Stewart at the princess luncheon. The princess program is a mentoring program through the Missouri Outstanding teens. They are pictured with Miss Missouri's Outstanding Teen Christina Stratton and her little sister.

Taylor Wilson

## Wilson Arrested On Domestic Charges

On Monday, June 19, the Vandalia Police Department was notified by Audrain County Dispatch of a request by the Hannibal Police Department to attempt to locate a subject, identified as Taylor Wilson, 24, of Hannibal.

Wilson was identified as a subject, whom had threatened an individual with a knife in Hannibal and was wanted for a domestic assault. Information was given that Wilson may be traveling toward the Vandalia area. Subject and vehicle information was obtained.

Officer located a vehicle matching the description in the area of Hwy. 54 and Main St. Officer conducted a traffic stop and made contact with the driver, who was identified as the Wilson subject in question. Wilson was taken into custody pursuant to a request from Hannibal Police Department. Wilson was transported to the Vandalia Police Department and later released to a Hannibal Deputy for transport back to Hannibal on charges of domestic assault.

Individuals arrested are presumed innocent until proven guilty.

## Shawn Varble Facing Domestic Assault Charge

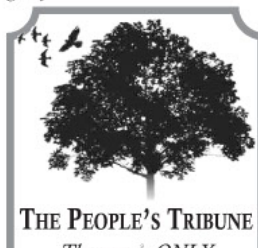

On Monday, June 12, the Vandalia Police Department responded to the 600 block of Pershing for a report of domestic assault.

Officer made contact with all parties involved.

An investigation of the scene led to the arrest of; Shawn Varble, 25, of Vandalia. Varble was transported to the Vandalia Police Department where he was fingerprinted and photographed.

Varble was later released on summons for domestic assault fourth degree and given a date to appear in the Audrain County Circuit Court.

Individuals arrested are presumed innocent until proven guilty.

## From the Mayor's Desk...

In February, the groundhog predicts and everyone is interested. For municipal government, prediction is a requirement especially when budget time arrives but it is usually an uncomfortable act to perform. Looking ahead is part of that activity and one that is overwhelming

especially when necessary projects are in various stages, some about to be completed, some progressing slowly and still others waiting to begin.

Utility issues are unpredictable and often unexpected. Infrastructure problems arise overnight in every shape and size, from pipes to pumps to streets to sidewalks with potholes growing with each rain storm and as each heavy vehicle crosses through them. Although temporary repairs are deemed to be the only financial possibility at the time, the cost of temporary solutions begins to add up over time and eventually it is to be faced that the infrastructure must be totally replaced.

In the Mayor's Budget Message for 2017-2018 I acknowledged the hard work of our employees and of the members of the Board of Alderman in preparing and presenting a balanced budget which was approved on June 15, 2017. "Our commitment is to serve the citizens to the best of our ability and

JO ANNE SMILEY, MAYOR  
CITY OF CLARKSVILLE

keep our City a diverse and safe community, a welcoming place to live, work and play."

In thinking ahead, the obvious challenge for smaller areas like Clarksville is that we are somewhat cut off from global flows and economic opportunities. This was certainly

more pronounced as highway #79 bridges aged, were weight limited and deemed in some cases to be less than safe. Now that we can look ahead to a time in the near future when all #79 bridges will be new and safe and to a time when the road will be re-surfaced, we can hopefully predict that tourism traffic will increase as people are informed that the River Road is open and a beautiful journey awaits them.

Clarksville has long understood that events and celebrations are a part of economic drivers and brand builders. The power of festivals and events can provide enjoyment for the citizens but can also spur short-term tourism. These community highlights can help shape an image of Clarksville as a cool, dynamic location where families want to live and people want to bring their creative enterprise. Assistance and participation by each individual in the city is encouraged as we continue to share our optimism and hope for our future.

## Pike Pioneer Menu

Monday, June 26 - Swiss steak, potatoes, gravy, green beans, dessert.

roast, potatoes, gravy, hominy, dessert.

Tuesday, June 27 - Barbecued chicken breast, sweet potatoes, cauliflower, dessert.

Thursday, June 29 - Closed.

Wednesday, June 28 - Pork

Friday, June 30 - Hot dog with chili, mac and cheese, baked beans, dessert.

## Card Of Thanks

Thanks to each of you for the love and kindness shown to our family. It will be in our hearts forever.

Thanks to Dr. Onik for the very best care he gave to Bill and the support he gave to us.

God bless each of you.

Bill Stotler  
Family

## Card Of Thanks

Thanks to all who visited, came to visitation, funeral, brought food and most of all their prayers. He said he very much felt them.

He loved people, he loved them all around him. He would have been so "proud" of the wonderful turn-out at both!

A special thanks to the Pike County Health Department, Home Health & Hospice, Patriot Riders, the VFW Post Honor Guard, to Bibb-Veach Funeral Home, Bro. John Birkhead, Bro. Jerry Gamm, JoAnn Raney, Elaine Dameron, and the wonderful meal at the Curryville Baptist Church.

Jim fought long and hard to stay with us but now the fight is over and he is at peace.

The Family Of  
Jim Hubert

Carrie Wells, Behavioral Health/Substance Abuse Social Worker at the Pike County Health Department, shared valuable information about the services of the Healthy Minds, Healthy Lives Coalition of Pike County at the June meeting of the Ecumenical Women's Breakfast group. The meeting was held at First Christian Church (Disciples of Christ) and co-hosted by the ladies of Bethel A.M.E. Church of Louisiana.

Wells explained that the goals of the Coalition are to help the people of Pike County recognize the importance of mental health, increase their knowledge and ability to seek help, and to lead high quality, meaningful lives. They also focus on developing substance use education and prevention programs to increase knowledge among youth, parents and community members. Services are provided free of charge to people who are uninsured, those who are under-insured, and also those who are underserved for various reasons.

Members of this Coalition include various social service agencies, community members, police departments, the Bowling Green and Louisiana Ministerial Alliance groups, health care professionals, school districts, licensed professional therapists, and others. Meetings are open to all and are held at the Pike County Health Department, #1 Healthcare Place in Bowling Green on the second Wednesday of each month at 12:00 noon.

Wells explained how grant money has been used to provide a speaker for the high schools in Louisiana and Bowling Green and also in holding a contest for the best poster design by a student that ended up being a billboard

Carrie Wells is pictured sharing information about services the healthy mind, Healthy Lives Coalition of Pike County offers.

campaign to address social issues. If future funding becomes available, training will be held for parents and grandparents who are raising children in order to help them become more aware of the problems going on and how to deal with them. Wells also shared that the overuse and illegal use of prescription pain medications is one of the worse problems in our county. Also assisting with the presentation were Tracy Brookshier, Marketing Coordinator for the PCHD, and summer intern Sarah Stumbaugh.

Ecumenical Vacation Bible School director, Linda Shade, explained about the funding of VBS and the importance of support by local churches to the program. Only one main fundraiser is held, a buffet breakfast; otherwise local churches and individuals make donations in order to enable

all children who are interested to attend VBS free of charge. Going into its 15th year, this annual event has more than quadrupled in the number of students who are served. This year's event will take place at the First Christian Church from July 17 - 21 and more information is available by calling the church office at 754-5557 or Shade at 754-2676.

Marilyn Johnson, president of the Ecumenical Women's Breakfast group, announced that a trip to the Westport Plaza on August 24 has been arranged. She has reserved group seating and discounted tickets are available by contacting her at 754-5303. The program will be "Church Basement Ladies," a humorous live presentation that features music. Transportation will be arranged for anyone who wants to attend.

### Letter To The Editor

Dear Editor,

We would like to recognize the great people who helped with our Poppy Days. Our friends and members who stood at a four-way or sat for two hours at County Market.

We appreciate Carquest, PJ's Salon, Riverside Salon for allowing us to place poppies and donation cans in your business and County Market for letting us set up on the premises.

Extra appreciation to The People's Tribune for the lovely article written about and for the American Legion and American Legion Auxiliary.

Last but most importantly we recognize all the generous folks who donated to our veterans. All monies will be donated to them.

Bette Garrison  
President American Legion  
Auxiliary

## Cuivre River Earns 16th Tree Line Recognition

The Arbor Day Foundation has named Cuivre River Electric Cooperative a 2017 Tree Line USA utility. This is the 16th consecutive year the cooperative has been honored for its commitment to proper tree pruning, planting and care.

Tree Line USA, a partnership between the Foundation and the National Association of State Foresters, recognizes public and private utilities for pursuing practices that protect and enhance America's urban trees. Tree Line USA promotes the dual goals of delivering safe and reliable electricity while maintaining healthy community forests.

"Trees are a critical part of urban landscapes all across the United States," said Arbor Day Foundation President Dan Lambe. "Service providers like Cuivre River demonstrate that it's possible for trees and utilities to coexist for the benefit of communities and citizens."

"Your commitment to proper tree-care practices benefits your consumers in numerous ways, including cleaner air and water, increasing property values and improving quality-of-life," Lambe added. "Trees also conserve energy and reduce peak demand, a crucial benefit to consumers and energy providers alike."

Cuivre River achieved Tree Line USA by meeting five program standards. Utilities must follow industry standards for quality tree care, provide annual worker training in best tree-care practices, sponsor a tree-planting and public education program, maintain a tree-based energy conservation program and participate in an Arbor Day celebration.

"Your success in meeting Tree Line USA standards not only helps provide beautiful trees for the future, but also yields long-

Cuivre River Electric Cooperative Right-of-Way Maintenance Superintendent Scott Skopec and Right-of-Way Coordinators Eric Twellman and Ben Voss display the Tree Line USA Utility banner as they celebrate the cooperative's 16th Tree Line USA achievement at a recent tree planting ceremony.

term savings for consumers," Lambe concluded.

More information about Tree Line USA can be found at [www.arborday.org/TreeLineUSA](http://www.arborday.org/TreeLineUSA).

About Arbor Day Foundation: The Foundation is a million mem-

ber nonprofit conservation and education group with the mission to inspire people to plant, nurture and celebrate trees. More information on the Foundation and its programs can be found at [www.arborday.org](http://www.arborday.org).

## Part-Time Office Assistant Needed

The City of Louisiana, seeks a part-time worker to perform general office tasks. Candidates should have minimum 1 year of experience in an office setting or equivalent education. The right candidate should have computer and general office knowledge. Work hours/days must be flexible. No weekends or major holidays.

City of Louisiana is an equal-opportunity employer. If you wish to apply, please send a resume and completed employment application to Christina Boyd at [wateroffice@louisiana-mo.com](mailto:wateroffice@louisiana-mo.com) or drop off application and resume at 202 S 3rd St in the water office.

**DISTRIBUTION MANAGER**

LOUISIANA, MO • 1ST SHIFT (6:30AM TO 3:00PM)

Allparts, Inc. (a division of Dorman Products) is seeking an experienced leader for our Distribution Operations. This is an excellent opportunity to join a vibrant, dynamic and growing company. The ideal candidate will be enthusiastic, possess sound time management skills, and the capacity to relate to people on all levels of the business. Reporting directly to the site manager, you will have accountability for the management of day to day operations of the warehouse, as well as ongoing development of a medium-sized, diverse team. This is a hands-on position, with an emphasis on attention to detail.

**MUST HAVE:**

- Minimum 3 years' warehouse/logistics experience
- Proven leadership skills, with a proactive attitude
- A keen eye for detail and safety
- High School Diploma / GED

**WE OFFER:**

- Competitive Salary & Bonus Potential
- Exceptional Medical/Dental/Vision
- 401(k) & Profit Sharing
- Flexible Spending Account & Health Savings Account
- Employee Assistance Program & MUCH more!

Apply online today at:  
[www.DormanFuelYourJourney.com](http://www.DormanFuelYourJourney.com)

Allparts is an Equal Opportunity Employer (EOE) and does not discriminate on the basis of race, color, national origin, religion, gender, age, veteran status, political affiliation, sexual orientation, marital status or disability (in compliance with the Americans with Disabilities Act) with respect to employment opportunities.
