## UEDC Hires First Director

The Unified Economic Development Council (UEDC) has hired its first Director. Maggie Neff began work last week in her office at Louisiana City Hall.

Mayor Bart Niedner, who currently chairs the UEDC, said he is pleased to have such a qualified resource.

"Maggie has significant state legislative experience and is a lawyer capable of understanding and parsing the various funding and state efforts with which we need to engage," Niedner said. "She is professional and intelligent. She has strong ties to the

community, including a successful downtown business. She was an ideal candidate for this position and we are fortunate to have her on board."

A "Louisiana girl," Maggie graduated with her law degree from the University of Missouri in 2012 after obtaining her B.A. in Political Science from Westminster College in 2007. She is on the R-II School Board and has been active with the UM Student Animal Legal Defense Fund and UM Women's Law Association. Maggie is probably

## John B. Henderson Is 'Refreshing Contrast' During Impeachment

Editor's note: The following is the second part of a story by Louisiana author Brent Engel about the role of Pike County lawmaker John Brooks Henderson in the 1868 impeachment trial of President Andrew Johnson.

It didn't take long for the 1868 impeachment of President Andrew Johnson to get going. And despite national upheaval prompted by the charges, Missouri U.S. Sen. John Brooks Henderson of Pike County kept his cool.

Johnson, a Democrat, was accused of violating a dubious-law passed when he fired Secretary of War Edwin Stanton, a Republican holdover from Abraham Lincoln's administration.

The House of Representatives officially agreed upon 11 articles of impeachment on March 2, 1868. The Senate trial began March 23 with Supreme Court Chief Justice Salmon Chase presiding.

## Mystery Photo Takes Best In Show

Louisiana Community Betterment Association sponsored the Third Annual Photo Contest and Exhibit on Saturday, Feb. 24 at the Twin Pike YMCA.

There were 34 photos in this year's competition. The show was well attended by many in the

community. Judges for the competition were Amanda DePriest, Viki Cadwallader and Cindy Logan. Special appreciation goes to our prize sponsors, The Mercantile Bank, Rivers Edge Motel and Bank of Louisiana.

## Eastern MO YMCA Seeks Instructors

As construction of the Eastern Missouri Family YMCA progresses, planning for opening the facility is underway. To aid with planning, a job advertisement seeking fitness instructors is included in the Classified ads. Our communities are full of individuals with talents, and the YMCA is beginning to seek individuals with a variety of talents to help build our local YMCA family.

Since the Eastern Missouri Family YMCA will be a branch of the Mexico Area Family YMCA, the Mexico YMCA is sharing its 40-years of experience and is leading planning efforts. At this time, the YMCA is seeking those who are already certified fitness instructors and those who wish to become certified. Earning a fitness certificate requires training and job shadowing with a certified instructor. Fitness instructors are typically part-time positions and an employment start date has not been determined at this time. Completion of the YMCA building is weather dependent, but will be complete in 2018.

If you are interested in joining the YMCA family as a fitness instructor, please contact the Eastern Missouri Family YMCA at (660) 335-1234. See **INSTRUCTORS** on page 16

# COMMUNITY NEWS

Two of Pike Counties outstanding students were guests of Pike County Chapter NSDAR on Feb. 7 as they were honored as DAR Good Citizens for 2018. Katelyn Leake, pictured above, was selected by Clopton High and is the daughter of Mike and Mary Ann Leake of Eolia, who were also guests. Louisiana High's Good Citizen is Elise Dewey, pictured below, daughter of Karl and Julie Dewey. Both young women received DAR Good Citizen pins from the chapter and their mother's pinned them.

## Good Citizens Honored By NSDAR

Katelyn Leake and Elise Dewey, selected as DAR Good Citizens for 2018 at Clopton and Louisiana high schools, were honored at the Feb. 7 meeting of Pike County Chapter, NSDAR at the First Presbyterian Church in Louisiana.

The chapter was happy to celebrate the 107th anniversary by welcoming the young women and their parents, Mike and Mary Ann Leake and Julie Dewey to the 2 p.m., meeting. They were introduced by Chapter Secretary Marilyn Johnson, chair for the good citizens event and acting regent.

Both had outstanding academic records, a wide range of school and community activities and wrote excellent essays on "Our American Heritage and Our Responsibility for Preserving It", with the question "How has America advanced the cause of freedom in the rest of the world?" to be answered. They were presented certificates and Good Citizen pins. The members and guests enjoyed cake and punch before the students needed to return to school.

During the business meeting, there were reports on Conservation, the Missouri DAR Bulletin and National Defense. The chapter will prepare a square for the Bicentennial quilt with a photo of the Riverview Cemetery gates. The restoration of the gates was a chapter project.

The reports of the secretary and treasurer were approved. Liz Wallace reviewed the Community Classroom project of leading Junior Achievement classes for the eighth grade by chapter members. She distributed copies of the handouts for the classes.

The chapter will sponsor a "Meet the Candidates" night in March with the date and place to be announced later.

At the chapter meeting on March 7 at 5 p.m., all members are to present a brief biography of a First Lady. Chaplain Lois Stark will be hostess.

**Continued from front page**  
Canton got on the board first, but the Indians battled back to take the lead near the end of the first before a buzzer-beating shot by Canton's Lance Logsdon ended the opening frame with the teams tied at 18 each.

Trey Miller knocked down a pair of buckets and free throws while Caden Wilburn and Josh Hodde each put five points on the board and Brayden Christian had a bucket in the first quarter.

The lead changed a couple of times in the second quarter as Van-Far got baskets from Lathyn McMorris, Christian, and Miller, as well as four more points from Hodde.

The Indians took the lead by halftime, 29-27.

Canton was able to tie the score a few times in the third, but Van-Far held on to the advantage by the end of the frame.

The Indians rained down three-pointers in the third, picking one up from McMorris and Christian and two from Hodde.

With a lead of 48-41 going into the final stanza, Van-Far didn't even need a single field goal to close out the win. The Indians got it done at the free throw line. Van-Far was 11-19 at the charity stripe going into the fourth quarter and ended the game 30-48. The Indians were 19-23 in the fourth frame.

McMorris was 6-8 in the fourth, Miller was 5-6 and Christian was 6-7 including a pair to seal the win with under a minute to go.

Miller finished the game with 16 points including a 10-14 night at the free throw line. Hodde provided a spark throughout the game and led the way with 17 points. They were named the Community State Bank TRiBCAST Co-Players of the Game.

Both spoke to TRiBCAST following the exciting victory and noted the team is working well together and has a goal of getting to the state Final Four. Coach Pat Conway noted that it was very special to beat a team on their home court for the district title while also filling their gym with more fans. He gave it up to the

Indian Nation who came out to support the boys.

Also scoring for Van-Far in the championship game: Christian ended the night with 13 points and McMorris scored 12, Wilburn notched seven points and Vervlyn Johnson had two.

The Indians took down Louisiana in the semifinal 47-50.

Hodde led the way with 18 points, Wilburn scored 10, Miller had nine, McMorris notched seven (all from the free throw line) and Christian ended the night with six points.

The Indians took down Clopton

in the opening round, 68-57.

McMorris cracked off 28 points in the win, Hodde and Miller each scored 12 points, Wilburn contributed six points, Christian had five, Johnson notched three and Collin Wilburn scored two points in the victory.

The Indians will take on Elsberry in the state sectional on Wednesday, Feb. 28 at Hannibal High School. Elsberry was one of only three losses Van-Far has on the season. All three losses came when the team was without McMorris. Since Lathyn has returned to the lineup the Indians have not lost a game.

Caden Wilburn goes toe-to-toe against a Canton opponent to score in the championship game. Check out the archived TRiBCAST and find more photos at [www.thepeopletribune.com](http://www.thepeopletribune.com). Trib photo by Jerry Hickerson

# LADY CATS EARN DISTRICT TITLE ON PAIR OF EXCITING UPSETS

## COMMUNITY NEWS

Continued from front page on offense. They also suffocated teams with their high octane defense.

Most fans knew to expect a low scoring game in the championship but the defense of both teams brought scoring to a virtual halt. Only one basket was scored in the entire first quarter. With just over two minutes remaining in the first Christian's Abby King managed to battle through the Lady Cats' defense but that was it.

Scoring was limited in the second quarter as well.

King scored again to start the frame. Gracie Stugart added a free throw in the second. Gabi Deters knocked down all three buckets for Bowling Green in the second. Her last basket came with just 30 seconds remaining she put the Lady Cats on top 6-5 for halftime.

Bowling Green changed up the game plan in the third. Deters sent a stong pass deep inside to Katelynn Charlton who sank the first basket of four she would make in the period. She scored 10

in the third after sinking a pair of free throws. At one point the Lady Cats were up 14-5.

Kourtney Markham and Stugart each scored three-point plays and Grace Kinsey added a basket to pull the game back in striking distance. Bowling Green led 16-13 at halftime.

Jaylen Early scored the first basket of the fourth quarter. Markham scored a couple of free throws before hitting a three-pointer to tie the score at 18. Stugart put the Lady Eagles on top for the first time since the first quarter, 20-18. Deters tied the score with a couple of free throws. Christian took the lead two more times and appeared to have the game as they went up 25-23 with just 16 seconds remaining. That was plenty of time for Deters to bring the ball down the floor and drop in a layup to knot the score at 25 to force overtime.

Caitlin Bilhartz hit two big free throws to start the OT period. Markham tied the score but another basket by Bilhartz and two free throws by Deters sealed the win 31-27 and knocked off the top seed in the tournament. Bilhartz and Deters were named the Community State Bank TRIBCAST Players of the Game.

Deters led scoring with 14, Charlton had 11, Bilhartz had four

in the overtime period and Early ended the game with two points.

The Lady Cats will move on to face District 8 champion Clark County at Moberly Area Community College on Wednesday night.

### SEMIFINAL

The Lady Cats battled through (2) Lutheran St. Charles in the semifinal on Wednesday, Feb. 23.

Lutheran came out hot, but Bowling Green made the adjustments to their man coverage and began to battle back.

KateLynn Charlton stepped up with a pair of buckets which turned into three point plays as Lutheran began to pick up fouls early. A third basket by Charlton brought Bowling Green within two at the end of the first, 13-11.

The Lady Cats poured on the pain in the second quarter. Deters connected with Bilhartz to tie the score to kick off the period.

Lutheran snagged the lead two more times as buckets by Kaylyn McKee and Bilhartz put Bowling Green in the lead at 3:30 of the second and that's where stayed.

Bilhartz knocked down four baskets in the frame in addition to a three-pointer by Deters and buckets by Early and Kinley Charlton to outscore 17-7 in the second. The Lady Cats led 28-20 at halftime.

Lutheran switched to zone defense in the second half. Kinley Charlton scored a pair of baskets in the third and Madeline Norton sank a three-point shot. The team scored points from buckets by Bilhartz and Kinley Charlton and free throws from Katelynn Charlton and Early.

Bowling Green once again took it to Lutheran to amass their largest lead of the night of 14 points, 41-27 at the end of three quarters.

Lutheran clawed their way back in the final frame. Several steals by Deters and a layup secured the win despite some trouble at the free throw line. Katelynn Charlton was the steady hand as both teams ran into foul trouble. Lutheran had to foul for possession. Charlton was 3-4 to lock down the lead. The Lady Cats were 12-28 from the charity stripe and Lutheran was 7-18. Lutheran outscored Bowling Green 13-7 in the fourth but only cut the lead to four points. The Lady Cats came out on top 48-40.

Coach Megan Aubuchon admitted she had to steady her nerves since earlier in the season Lutheran had come from behind to defeat Bowling Green. She said she reminded her players the game wasn't over and to keep fighting all the way.

Katelynn Charlton racked up 13 points with three baskets and 7-10 at the line. She was named the Community State Bank TRIBCAST Player of the Game. In an interview following the win she noted that going to the championship and hoisting the district banner has been a team goal since the season started.

Bilhartz knocked down 12 points (10 of those in the second quarter), Deters notched seven, Kinley Charlton scored six, Early had five Norton scored three and McKee had two.

## Hawks Lose To Van-Far In Opening Round

MARK FRONICK • TRIBCAST  
mark@thepeopletribune.com

The (7) Clopton Hawks fought hard in their opening round game against (2) Van-Far on Wednesday, but in the end, fell to the Indians 68-57.

The Hawks showed what the future holds from the opening tip as Freshman Zakk Eivins popped in six points in the first quarter and sophomore Shawn Yates scored five for Clopton. The Hawks led the eventual champions 15-8 after the first quarter.

The Indians caught up to Clopton in the second and would've have left the Hawks behind if not for senior Landon Hall who netted eight points to finish the first half with 12 points as the Hawks went to the locker room down by four.

Five different Clopton players popped the twine in the third and Hall added a pair of three pointers to up his total to 20 after three. The Hawks still trailed by just four going to the fourth quarter.

Hall hit another three to start the

fourth as the Hawks stayed in the game, but Clopton had to resort to fouls to try to grab possession.

The Indians were able to convert their shots and Clopton lost starters Parker Edmiston and Damian Walker along with sixth man Maleek McPike, who all fouled out.

The resulting shots put the young Hawks down 11, unable to advance despite 25 points from Hall in his final game.

"He was probably the best player on the floor," said Van-Far Coach Pat Conaway of Hall.

Conaway added that the Clopton senior could do whatever he wanted in the game, slicing the lane for points or hitting the three.

Clopton finished the season with a 7-17 record in a rebuilding season after back to back district titles.

Scoring for the Hawks: Landon Hall, 25; Zakk Eivins, 10; Shawn Yates, 8; Parker Edmiston, 6; Maleek McPike, 4; Damian Walker, 2; Daniel Harvey, 2.

## Lady Hawks Season Ends With Narrow Loss

The (3) Clopton Lady Hawks finished their first season under head coach Devin Streed with a 17-8 record following a narrow 46-42 loss to (2) Paris in the semifinals of the Class 2 District 6 Tournament.

After a slow start the Lady Hawks trailed Paris 11-6 after the first quarter.

Jillian Lockard jump started the offense in the second quarter with a pair of three pointers.

Clopton converted on seven of eight free throws in the second to pull ahead at halftime 23-21.

Allison Hunter came off the bench to drain a three in the third quarter, but the Lady Coyotes went back in front by outscoring the Lady Hawks 12-7 in the quarter.

Paris built a seven point lead on the Lady Hawks, shooting a perfect seven for seven from the free throw line in the final quarter after missing all three shots from the line in the previous three quarters.

Kaitlyn Kuntz hit a three as time expired, but the Lady Hawks fell by four points.

Clopton will graduate just one senior as starting guard Maya Street moves on at the end of term.

Scoring for the Lady Hawks: Jillian Lockard, 13; Kaitlyn Kuntz, 10; Calynn Lockard, 7; Caragan Lockard, 6; Allison Hunter, 3; Maya Street, 3 points.

The Hawks reached the semifinal with a 45-35 win over Knox County last Monday.

# Bulldogs Come Up Short To Indians

MARK FRONICK • TRIBCAST  
mark@thepeopletribune.com

The (3) Louisiana Bulldogs played neck-and-neck with (2) Van-Far for the third time this season, but for the third time were edged out by the Indians in a season ending 50-47 loss in the Class 2 District 6 semifinal.

Remi Feldewerth, coming off a player of the game performance in the opening round, scored six off the bench in the first quarter for the Bulldogs as Louisiana trailed by one after eight minutes.

Both teams scored 10 in the second quarter with junior Derek Richards leading the Bulldogs with six points, finishing the first half with nine points.

The Bulldogs Zac Harrison scored six of his 14 points in the third quarter and Richards scored another seven and Louisiana tied the game at 36 heading to the fourth.

The Bulldogs held the Indians to just one basket from the field in the final quarter, but Van-Far was able to convert on 12 of 18 free throws in the final quarter.

The Bulldogs were down two in the waning moments of regulation when, just like the Bowling Green Tournament final, Derek Richards had a shot that would've tied the game. This time the shot was blocked.

The Indians grabbed the ball and Lathyn McMorris hit one of two free throws to extend the lead to three.

Richards grabbed the rebound off the second shot and got off another shot to tie that went long. Zach Ellsworth got the long rebound, but his shot missed as well as time expired on the Bulldogs season.

Louisiana finished the year with a 15-10 record, their final season in the Clarence Cannon Conference.

The Bulldogs found themselves in the semifinal after a 59-35 opening round win over (6) Paris on Wednesday.

Louisiana jumped ahead early on the Coyotes, outscoring the opposition 20-7 in the first quarter and 36-20 by halftime.

With Dalton Oberhaus and Zac Harrison picking up early fouls, it was Remi Feldewerth coming off the bench to net nine first half points.

Louisiana edged the Coyotes 10-9

in the third quarter and won easily by posting a 16-6 fourth quarter for the twenty-four point win.

Scoring for Louisiana at Districts (2 games): Derek Richards, 37; Zac Harrison, 22; Remington Feldewerth, 19; Dalton Oberhaus, 12; Michael Francis, 8; Zach Ellsworth, 7; Tyler Hopkins, 2.

The Bulldogs will graduate starters Michael Francis, Zach Ellsworth, Dalton Oberhaus and Zac Harrison.

# COMMUNITY NEWS

## From the Mayor's Desk...

After the rain came sunshine, joy and energy. Just seeing the light makes a difference. That seems to be how it is in most of life. Certainly it is true as we work through the problems that confront us from day to day.

JO ANNE SMILEY, MAYOR  
CITY OF CLARKSVILLE

Clarksville has recently employed a utilities operator and in so doing has begun to see the sunshine again in the water/sewer department. When you lose an employee following a lengthy period of success & accomplishment there is quite a vacancy to be filled. At this time the City is fortunate to have engaged a young man who served here 10 years ago. During his time away he has been

employed by Alliance Water Company and that experience is proving to be invaluable to Clarksville.

Victor Wright is fully engaged in the day to day utility operations and is finding his way to serve the community with care, caution, expertise and integrity. He understands the small number of City employees and the frequent need to step in to assist in a variety of areas.

If you have yet to make his acquaintance, please do so at your earliest convenience. He is here to work for the whole community being served by Clarksville Water and Sewer Department. Welcome to the team Victor Wright!

## Jiang Speaks

Bowling Green Elementary second grader Queenie Jiang spoke with the first graders in Mrs. Morrison's class about Chinese New Year. She explained to students that this is the year of the dog. She also told students how the New Year is celebrated in her country with parades and fireworks.

## Clopton Kindergarten Registration

Clopton Elementary School will conduct Early Childhood screenings for those children who were born between Aug. 1, 2013 and July 31, 2015. The screenings will take place on Wednesday, March 14. For children entering Kindergarten, the August 2018 registration and screenings will take place Wednesday, April 11 and Friday, April 13.

Screenings will be conducted in the areas of hearing, vision, language, motor skills, cognitive development and general health. The screenings each take about 90 minutes to complete.

The free screenings will be conducted by appointment only. To schedule an appointment, call the Clopton Elementary office at 485-2488 or 242-3546.

nieces, nephews and cousins. He was preceded in death by his parents and brothers, Ray, Clyde and Jim Elliott.

Porter was a life-long resident of Louisiana. He served his country in the United States Marine Corp. and the United States Army where he served as a helicopter pilot. He served and was injured during the Vietnam War and retired.

He served on the Louisiana Board of Adjustment for 40 years. He enjoyed helping people, painting and woodworking. Porter loved spending time with all of this family and loved squirrel hunting and fishing.

Memorials may be made to donors' choice.

## Hope Center Donation

The Arthur Florence Lodge number 184 of Bowling Green donated \$300 to the Hope Center of Pike County. Pictured from left: Barbara Henderson receiving check from Van Hall, treasurer. ## Hannibal Regional Welcomes Schlogl

Hannibal Regional Medical Group is excited to welcome Gale Schlogl, FNP-C to their Bowling Green team. Gale Schlogl, FNP-C earned her Nurse Practitioner degree at Maryville University in St. Louis and has over 15 years of experience in the medical field.

Schlogl is looking forward to serving the community through the clinic's Urgent Care services. "I think urgent care is one of the fastest growing segments in healthcare that fills a medical need where people aren't ill enough for the Emergency Room, but can't wait days or weeks to see their primary care physician," shares Schlogl.

Gale Schlogl, FNP-C chose Hannibal Regional Medical Group because she was impressed with her personal experience with the healthcare team in Bowling Green.

## World Day of Prayer To Be Held On Friday, March 2

Women, men, and children in more than 170 countries and regions will celebrate World Day of Prayer, Friday, March 2, 2018.

This year, the women of the WDP Committee of Suriname call us to worship considering the words "All God's creation is very good!" With these words as backdrop, we are invited to learn about Suriname's history and rich cultural diversity. The women of Suriname share their stories of intergenerational wisdom, traditions and experiences of God's profound love and acceptance. The focus is on Genesis 1, the story of creation. The Bible study and worship service invite us to explore issues of climate change, natural disasters, pollution, and human abuse of the environment—all affecting God's good Creation and God's people.

This year's service will be held on Friday, March 2 at 10 a.m. in the sanctuary of First Christian Church (Disciples of Christ) at 517 South Carolina Street. Following the service, a light luncheon featuring foods similar to that served in Suriname will be served. There is no charge for the program or the meal, but an offering will be accepted to benefit the women of Suriname through the World Day of Prayer organization.

## DIRECTOR

Continued from front page

most well-known locally as a co-owner of Fat Boy's restaurant in downtown Louisiana—a successful business experience she hopes will transfer to other Louisiana businesses.

"I am strongly committed to the City of Louisiana and the surrounding community. As a small business owner, I am familiar with the struggles. I believe my experiences will benefit our business retention and expansion and ensure successful Chamber of Commerce and LVCB operations, fundraising, and workforce development efforts," Neff remarked.

Neff also has significant experience as a legislative analyst with the Missouri House of Representatives (2013-2016). The UEDC board notes that Neff is well-versed in state government, with many existing connections in our state legislature.

"We feel this experience gives Maggie an advantage in researching policies that assist local governments and communities in increasing their economic growth and sustainability," Niedner said.

The UEDC Director will work under the direction of the Board of Directors of the UEDC to improve the economic climate of Louisiana, Missouri. Specific focus of the UEDC Director includes:

- Focus on business retention and expansion ("economic gardening").
- Entrepreneurship & new business creation.
- Planning and supervising the day to day operations of the Louisiana Chamber of Commerce and the Louisiana Visitors and Convention Bureau (with assistance of part-time administrative

Invite your friends, family, and communities of faith to join the women of Suriname in prayer and song to support ecumenical efforts toward justice, peace, healing, and wholeness. The annual offering supports the work of World Day of Prayer USA and helps meet the needs of families in Suriname and around the world who are adversely affected by abuse of God's good creation.

World Day of Prayer is a worldwide ecumenical movement of Christian women of many traditions who come together to observe a common day of prayer each year on the first Friday in March. World Day of Prayer was founded on the idea that prayer and action are inseparable in the service of God's kingdom. Services begin at sunrise in the Pacific and follow the sun across the globe on the day of celebration. Each year a different country's committee serves as the writers of the World Day of Prayer worship service. And each year, we are called to action in response to the concerns raised by the writer country.

For more information, contact Julie Stephens at 573-754-2242 or the church office at 573-754-5557. More information is available from the national office of World Day of Prayer USA ([www.wdp-usa.org](http://www.wdp-usa.org)).

support staff).

- Workforce Development.
- Build a strong relationship with Pike County Development Authority (PCDA) and other state and regional partners for new business attraction.
- Manage an effective UEDC social media presence.
- Deliver formalized, quarterly communication and review with the UEDC and public at large.

The UEDC is an alliance between the Louisiana Chamber of Commerce, Louisiana Visitors and Convention Bureau (LVCB), Louisiana Community Betterment, and the Louisiana Municipal Corporation (LMC—which represents our local government). The UEDC has additionally inherited the project-oriented focus and resources of the Louisiana Economic Development Committee. After a year of public discussions, the UEDC officially formed in late 2017 as a five-member council comprised of officers from the participating organizations. The UEDC's purpose is to create synergy with the following functions:

- Vet and establish community-wide economic development priorities.
- Communicate the established economic development priorities.
- Encourage and facilitate the sharing of resources and best practices in pursuit of the established economic development priorities.
- Deploy support resources (human, technical, monetary) towards specific initiatives advancing the established economic development priorities.

Constructing the YMCA facility and building YMCA staff brings excitement to the area and the project volunteers. This project is an investment in our communities. Please encourage any interested individuals to contact the Mexico YMCA and share the project excitement.

## PHOTOS

Photos during the judging phase are only identified by a number to keep the identity of the artist confidential. Once the final decisions of the judges are in and ribbons are awarded, the LCBA committee then places identifying markers with the artist name and title of the photos by each photo for exhibition purposes.

Four "Participant" ribbons and cash prizes of \$25.00 each were awarded to Danny Ramos, Dan Borders, Russ Adams and Clarence Hendricks. The "Best In Show" ribbon

and a \$100 cash prize was awarded to Mr. Dan Borders. "The biggest mystery of the evening was the Best In Show photo," stated Diana Huckstep, Chairperson for the LCBA and the organizer of the event. The title of his submission was "Tall Tales." It was a photo of an elderly gentleman, but it did not identify the person in the photo. Many of the attendees would ask who the gentleman was, but no one seemed positive as to the identity of the gentleman.

"It was quite a surprise to all of us that were there for the closing of the exhibit, when one of the young ladies, who is an employee of the YMCA, walked into the room and declared, 'That's my Grandpa!,' Huckstep said.

"The gentleman's name is Raymond Hunter and he is a lifelong resident as well as a neighbor of Mr. Borders, the photographer. The 'Mystery' was finally solved."

Eight of the photos on display were sold during the exhibit. The remaining photos will now be on display for the next two weeks at the Louisiana Library at 121N. 3rd. St. in Louisiana. The photos will still be available for purchase. If you were unable to attend the showing on Saturday evening, please stop by the Library and enjoy the beautiful photos. A 10% sellers fee from the purchase of any picture goes to the work of the Louisiana Community Betterment Association.

## HENDERSON

Continued from front page

Henderson warned against the kind of mob mentality that could lead to injustice, or worse.

"We must not convict men in this country for entertaining false notions of politics, morals or religion," he said. "It is often difficult to determine who is right and who is wrong. In moments of temporary excitement and unfounded alarm, whole masses of people have rushed wildly to incorrect conclusions."

Chase and Stanton knew each other well. Stanton was an Ohio native and Chase had practiced law in Cincinnati before serving as governor and a senator from the Buckeye State. Chase had recommended to Lincoln that Stanton be appointed.

Chase also was very familiar with disagreements between cabinet members and chief executives because he'd twice offered Lincoln his resignation. Lincoln accepted Chase's third offer in 1864 and appointed him chief justice.

Chase was determined to make the impeachment trial fair. Henderson aided the effort through a resolution on March 31, 1868, to have Chase "rule on all questions of evidence and incidental" matters. Since Johnson was the first President to be impeached, there were few guidelines to follow. Henderson helped Chase create a road map.

In his book "The Impeachment and Trial of Andrew Johnson," author David Miller Dewitt calls Henderson "a man of superior ability and unblemished char-

acter" who was "anxious to preserve harmony between the administration and his party" by "never indulging in abuse of the President."

The Republican was "a refreshing contrast" to the "reckless band of fiery radicals that the doctored constituents of his state had sent to the House," Dewitt noted.

One criticism Dewitt had of Henderson was that, as with many politicians, the senator had been known to occasionally flip-flop on an issue. However, the author noted that Henderson probably knew the Missouri General Assembly would replace him the following year with "a more daring radical than he could pretend to be."

"His course on the impeachment was typical of the temper of mind which his embarrassing situation superinduced," Dewitt told readers.

"Senator Henderson probably realized that his vote would retire him to public life, but he voted according to his convictions, and not according to the probable affect upon himself," F.A. Sampson wrote in the July 1913 edition of Missouri Historical Review. "He was a statesman and not a politician."

Henderson was rebuked during the trial while questioning one witness, but got an answer from Civil War hero William T. Sherman.

Henderson asked the general if Johnson had ever expressed "a fixed resolution" to remove Stanton from office. Sherman replied that Johnson never threatened forcible removal, but "he did most unmistakably say" he could no longer work with Stanton.

Another Henderson question about

the legality of an interim appointment as Secretary of War was deemed inadmissible. He later questioned whether some form of mitigation would be appropriate before senators ruled. Others objected that mitigation would come into play only after a verdict.

Newspapers printed transcripts of the trial and were full of speculation about how Henderson would vote. On the morning of May 11, 1868, the tide still seemed tilted toward conviction, but reporters began to notice a change of sentiment after speeches by Henderson and others.

The New Orleans Crescent speculated that the senator was among those "preparing opinions adverse to conviction."

"I am not trying (Johnson) for his opinions," Henderson said. "I am called to pass judgment on what he has done, not on what he claims a right to do." (Italics by Henderson based upon Senate transcripts).

Henderson likened impeachment to debate before the outbreak of the Civil War as a perfect example of sentiment overtaking sensibility among lawmakers.

"And in this condition they are intolerant of moderation, and even of common sense," he said. "From this spring mobs, denision, jeers, insults and personal violence. He who cannot resist these things and proclaim the right at the risk of personal sacrifice, cannot expect to promote the great cause of truth, and such a man has no business whatever in this body."
